Jokers

Gadget, Replicar and **Troppo** told jokes this week
down-down to “Here’s to the jokers their true blue”.
On Secs’s (Ding) Joke of the week:
My granddad died after having a nasty accident where he needed a blood transfusion to live - but we couldn’t remember his blood type.
I think he wanted us to not get too upset and carry on though because as he lay there dying - he just kept saying, “Be positive,” - but it’s hard without him.

Dummy Shorts

The current holder **Troppo** called out the following Hashers in a hope of passing on the shorts this week.
Gadget: who was accused of having said he has always admired the shorts.
Tampax: who when backing the drinks trailer scared **Ding** who thought he was going to lose the backend of the house, and the **entire Pack** - who thought they were all going to die.
Then **Biro** called out **Ding :** just because it is the last week we can ? – of course the entire Pack boo-ed and said … not our **Ding**.
Then **White pointer** called out **Clockwork Orange** – changing in the back yard – but she was actually only putting her bike in the back yard !!!
The charge was reversed
and the winner this week is White pointer!

Ding was heard to use some …. Expletives!!!!!

Charges

RA. (This week we had a stand in RA: Tight Arse)

First **the stand in (RA)** called out: **Gadget** – who was asked " was he disappointed not to be named as the new 007-Bond this week?
DD: "Gadget is a bad boy"
The **RA** then asked us:
How many BONDS have there been?
7 was the answer !
Mouth organ and **Sybil** were correct and got a drink
DD to: "here's to the smarties!"
Skippy was then called out for attempting to add further information – which the **RA** had not requested
DD to: "he's an arse h.le so they say!"

The **RA** then told us on this day:
1925: JFK was born
1942: Joe Biden was born
1995: Di admitted to having an affair
White pointer and **Zip-it** guessed several answers.
DD to: "They should be publicly pissed on!"

RA then called out **Clockwork Orange**
She was told back in Ireland when she completed her degree – the Irish said she was a bloody IDGIT, but when she completed her PHD they said she was getting better by degrees.
Limerick was read by the **RA**.
Tight Arse said:
Clockwork Orange thought University was a breeze, but weighed down by B,As and PHDs
She collapsed under the strain.
Said her doctor "Its plain – your killing yourself – by degrees"
