**Hare: High Beam & Too Tight**

**Date:**

**03 02 2017**

**VENUE:**

**Lake Gwelup**

### THE RUN

Lots of hashers turned up for **High Beam's** run.

It was one of those evenings when it's warm when you arrive and it gets very cold once the sun sets, out come the jumpers and jackets. Runners and walkers found the trail around Lake Gwelup, which led to a little park where champagne and orange flowed. After the refreshments the walkers were sent off straight home, while the runners went on a little loop around the Gwelup neighbourhood. All was completed within the hour.

### THE CIRCLE

**GM** raised himself above the crowd by jumping onto the BBQ, which was luckily not hot, as the gas had been turned off by park officials.

**Replicar:** big circle around the lake, extremely well marked, both bush and road 16.5/22

**Horney Flasher:** her little legs liked the walk 9.95/10

Which brings it to an average of 8.974/10
