THE RUN

The group tonight was noticeably smaller, as many of our esteemed members joined the festivities of Nash Hash in Ballarat.

Non the less 26 eager hashers gathered in a park in the heart of Bull Creek, on another perfect night for hashing. Well done **RA**.

Stand-In GM **Pacemaker** called for the Hare **Wisecrack** to give instructions, walkers and runners' trail we were informed, walkers to follow one big W, don't look left or right, walk straight until you reach Home! We did, 45 min later we saw the light in the park, flashing at us.

THE CIRCLE

The **GM** called for attention, his soft voice needed help from the **RA**.

Hare **Wisecrack** and Co Hare **Spackle** were judged by our fast runner **Puki Merah**, who found all the parks, streets and dark spots 9.95 DDs

New comer **Zali** was introduced by mum **D Cell**, also DD for **Hawkeye** for looking well after his family.

Tight Arse sneaked in and told us that his original name had been Hawkeye in his early days of hashing.

RA PICKS

Zero Heroes: **Spackle** 110, **Sybil** 300, and a big achievement by **BraveTart**: 600 runs. Her DD helpers were **Sybil**, **Mountain Hawk**, **Cookie**, **C Cell** and **Wisecrack**.

RA Charges: **High Beam** can't see the woods for all the trees.
