Run: 1364
Hare Animule

Date: 10 March 2017
Venue Jolimont

THE RUN

Election eve and the **GM** is back in town.

During his absence the crowd has become somewhat unruly, almost disobedient.

No one listened, Hare included, when he called to gather around and get instructions for the run. Eventually we found out, all on chalk, runners' and walkers' trail.

All familiar territory for the **On Sec**, nice to be walking around the old stomping ground.

Albeit a few regulars still missing, a good crowd of 30+ hashers took off, walkers not long were being separated from the runners, following a well marked trail through the streets of Floreat.

THE CIRCLE

Returnee **GM** mounted his crate and called for attention.

Suka for the walkers liked the run 9.5

White Pointer for the runners also found it really good, but too many FTs

Hare **Animule**, who was busy cooking sausages, and Co Hare **Robert** received DDs for the combined efforts

LTNS

GM, Suka, Shrek, Barkoff, Horney Flasher, Butter Buns, Doggy Do, Whorda, Bullwrinkle, Mouthorgan, Dosh, Warcuda

Ball Wrinkle likes them so much that he almost kept them, but then the mystery of the missing box containing the dessert was solved: **Sybil** confessed to a senior moment, she had found aforementioned box, as she returned home, on the garage floor, we still don't know what we missed out on. Dummy shorts for **Sybil**.
