Run: 1369
Hare Wenchy & RTT

Date: 28 April 2017
Venue Morley

THE RUN

This was **RTT**'s birthday bash: the venue was very nicely decorated, you couldn't miss it was his birthday and a big one too. **RTT** welcomed everyone who arrived with a happy glare on this face. Someone had spread the myth the **On Sec** wouldn't be present, but how can one miss an occasion like **RTT**'s big 7 0 .

The run was set by Wenchy, and as it was deemed to be a long one, **RTT** took pity on the walkers with a few short-cuts, we were then all reunited at **DIY**'s house for a refreshing Drink stop, which made the homestretch quite pleasant.

THE CIRCLE

The **GM** called for a circle, everyone (more hashers than I could count) gathered under **Wenchy**'s new pergola. The Master himself gave the run a 9.75.

Cow Pat presented **RTT** with a fabulous cake, beautifully assembled turd with dagger, not to mention the eatable toilet roll.

The crowd fell into a rousing happy birthday song, while **Troppo** and **Tight Arse** presented their own adaption of the song.
