Run: 1370
Hare Sheep Shunter

Date: 05 May 2017
Venue Helena Valley

THE RUN

Always nice to have a run closer to the bush, away from city lights and traffic, (though Helena Valley Rd still felt like a highway.) sand and twigs in shoes, complete darkness, spiders falling off trees..... really? **Slugger** wore her hat tight and collar up.

Sheep Shunter's well marked trail took us through bushland, housing, past lakes towards a very welcoming drink stop and back to base. Very pleasant, no injuries reported.

Back home **Skippy** lit a huge bonfire to keep us all warm, no marshmallows of course.

THE CIRCLE

The **GM** called for a circle, close to the fire for warmth and ambiance.

WhoreDa, reporting for the walkers, thought it was a good walk, no hills, but no runners in sight
Rusty Nuts, for the runners, very good run, with short-cuts, too many FTs

6 and 8/10 respectively, which makes it 9.95 on the FH scale.

At this point the **GM** announced he had some very sad news..... he has lost his job, but is not too upset about it, belonging to the distinguished FH family gives him great comfort.
