Run: 1372

Hare: Sir Fumbles

Date: 19 May 2017

Venue: Richmond Circus, East Fremantle

THE RUN

The threatening conditions couldn't keep the die-hard Friday hashers from their weekly fix. Though there was a shower of run just after the runners departed, the walkers remained dry, having been held back by the hare for some last-minute instructions. There ended up being three walkers trails – the marked trail, the short-cutters' trail, and laps of the old Richmond Raceway trotting track by those who didn't want to stray too far from home.

THE CIRCLE

Sir Fumbles organised a great feed of fish & chips from the Sea Breeze chip shop. They stayed open later than usual, to provide us with a fantastic feed before the circle. Only **Dead Squid** was canny enough to bring his own bread and butter for a chip butty.

GPS provided designer umbrellas for all, so no excuse for anyone to get wet. He said that the run must have been set on **Sir Fumbles'** bike, but **Cookie** refuted that. Said she had nothing to do with it! **Wisecrack** gave it a score of 9.5.

CHARGES

DD for **Wisecrack** and **Rambling** having selfie sex in the circle.

DD for **Wisecrack** and **Spackle**, celebrating their 32nd anniversary.

RA Megawatt didn't have many charges tonight – said the rain washed everyone's sins away!
Accolades: **Sybil**, for saving the forest and greening the world.

GPS, for providing umbrellas

DD on **Sheep Shunter** for not knowing where/how to wear his bra

DD on **Light My Fire** for wearing new shoes. In her defence, **Cookie** said she has been wearing them for weeks, and no-one has noticed, so DD was not taken as a shoey.

D-Cell charged **Wacuda** with following her socks instead of the farrows, and taking a shortcut.
DD **Wacuda**

JOKERS

Cookie – best colour knickers to wear when flying

Doggy Doo – the dangers of loaning someone your costume at a fancy dress party

LATE CHARGES

Mel Adjusted on the **RA** for the weather. **GPS**'s umbrellas saved him, so the charge was reversed. DD **Mel Adjusted**

GPS on **White Pointer** for having his back to the circle

GENERAL BUSINESS

Cookie – next week's run will be part of her 70th birthday celebrations (DD on **Hogshit** for saying "Again??"). She will supply wine and bubbly for dinner at Treasure Palace in Maddington, \$20pp banquet. Please buy beer and cider from the club as usual.

White Pointer – will be away next week, as he will be in Melbourne for his 50 year reunion of his travels in Antarctica. So that's why it was so darn cold tonight – he was reminiscing!

Tropo is still doing well after his surgery, but it will be another week or so before he can join us for our Friday night shenanigans.

RCH3's Pink Breast Run on Tuesday night was well attended – about 110 runners on a clear, cold night on the East Rockingham foreshore. Not sure how much was raised for breast cancer research/support, but it was a great run, the food was plentiful, and a good time was had by all.

DUMMY SHORTS

No contenders, so to **Spackle's** delight he gets to keep them another week. He will have better candidates next week, I'm sure.

THE SONG: D-Cell
