Run: 1374
Hare Horney Flasher

Date: 02 June 2017
Venue Bentley

THE RUN

Horney Flasher had made friends with some young lads from the neighbourhood who were very keen to participate and out run the "old" hashers. They succeeded and beat **Spackle** to the finish line.

There was talk about a hill which even the young lads feared, but as it turned out it was just another hilly start to a well set trail, runners and walkers had their own little way at times and as there was no drink stop to regroup and give the weary old bodies a rest, 35+ hashers were all back within the hour.

THE CIRCLE

GM called and a circle formed.

Hare **Horney Flasher** and Co Hare **Butter Buns** faced the critics.
