Hares: High Beam & Hogshit

Date: 16 June 2017
Venue: City Beach

THE RUN

When the scribe is the Hare it is difficult to put a run report together.

I go by rumours I overheard at the drink stop over a glass of "Glühwein", it is a bit long, someone whispered, but that is nothing new when the Co Hare is a runner, he likes to stretch his legs, and set lots of FTs.

Setting the trail in the afternoon we also had our "Lehrling" **Suka** with us and she needed some good teaching.

THE CIRCLE

Stand-In **GM Mountain Hawk** raised her voice and everyone stood to attention.

Short circle again, good food was waiting for us in the restaurant.

The Hares were called upon and judged on their efforts:

Cow Pat reported for the runners, she found it bloody hilly, while **Replicar's** run was flat

Shadow for the walkers liked the little remarks along the trail (a little love and encouragement from the "Lehrling")

GM charged **Hogshit** over reserved trailer bays, which really went to **Puki Merah**.

LTNS

Replicar, 15 MeNuts, Little Prick

Stand-Ins where acknowledged: **GM Mountain Hawk, Flash Light My Fire**

RA'S ZERO HEROES

Blowfly 80, Meladjusted 240, Pacemaker 630

Our real hero tonight was **Crusher** who received 1 Gold Medal (10km) and 2 Silver Medals (5km and cross country) at the AMA National Championships in Darwin. Congratulations!

RA Charges:

Wenchy and **Cow Pat** having a private circle

CHARGES from the floor:

Hogshit on **Radar**: hiding in the bush

Smallgoods : trail too long

Doggy Do: ran past his allocated mentioning on the trail

Rockbottom on **Tight Arse**: confusion and correction in the book

BIRTHDAYS

Hogshit, High Beam

DUMMY SHORTS

Went to **Tight Arse**

JOKERS

Tight Arse, Doggy Do

GENERAL BUSINESS

SONG

WhoreDa started the song, the rest followed at different times, a very messy outcome.

The evening finished off with a delicious dinner at the Pearl River Restaurant, and it seemed a good night had by all.
