Run: 1380
Hares: Sybil

Date: 14 July 2017
Venue: Crawley

THE RUN

More than 30 hashers assembled at **Sybil's** poolside venue, the water looked very inviting, but a tad cold this time of year.

The **RA/ Co Hare** got the weather right again, a very good night for a stretch of lazy legs.

We were chased out the back gate, with a choice of a 3km walk - to the left, or a 5km run – to the right, take your pick.

Most walkers chose the 3km option along Kings Park and UWA, with a few checks and falsies. The well marked trail had us back in good time through the Mayfair car park to the Gazebo by the pool, but not before we had the usual undercover (as in privately opposed to secretly) drink stop of ginger wine and lemonade.

THE CIRCLE

Our Stand-In **GM Rambling** called for order, firstly reminding **D Cell** were her spot is during proceedings, DD.

Hare **Sybil** was judged for her efforts:

Mountain Hawk enjoyed the walk, engaging with fellow hashers in interesting stories (mainly about illnesses) 9.7

Wenchy: liked running up hills and down valleys 10/10

LTNS

Good to see **Bullwrinkle** (who thanked everyone for flowers and well wishes) and **Mouth Organ** again,
