Run: 1385
Hares: Dead Squid

Date: 18 August 2017
Venue: Fremantle

THE RUN

Despite, again, inclement weather conditions, rain, windy, cold, 30+ Hashers assembled inside the gazebo at Locke Park in Fremantle for **Dead Squid's** Birthday Bash.

We were told there would be a runners' and walkers' trail and lots of alley ways with dead bodies (obviously not up-town Fremantle) but nothing to worry about.

Big Bang, **Wisecrack** and **Bravetart** were the first ones to return, before the rest of the pack arrived back, bit wet and weary.

Rambling and **On Sec** kept **Dead Squid** company along with **Light My Fire**, who decided on a short walk around the oval (she had no interest in dead bodies and dark alley ways).

THE CIRCLE

We gathered outside the gazebo for the Circle, welcoming two visitors from Darwin, **Skiddy** and **Mr Balldangles**, who were the only ones enjoying the cold temperatures and rain.

Dead Squid was judged by:

RTT for the walkers: good and dry run through the rough parts of Fremantle, brought back memories 9.0

Wisecrack for the runners: found it brilliant and well marked.

DD: chatterboxes **Cookie**, **Little Prick** and **Big Bang**.

RA'S ZERO HEROES

Cookie 1030, **Radar** 250

RA Charges:

Cowpat: who decided to give her mother a quick visit since she was passing her retirement village.

Animule: sporting a new hi-vis jacket

Big Bang: forgetting his puffer for the run

Bravetart: couldn't find Kathmandu on her map for last week's run (she should have looked for Kalamunda, much closer)

Radar, **Phantom**, **Sybil** and **Sheep Shunter**: all wearing red coats

Charges from the floor:

Replicar on **Spackle**: scaring an old lady on the run

Cowpat on **Spackle**: running her into a group of men

GM on **Sluggo**: putting the **GM** down on the run (he gets lost on most runs)
