**Run: 1395**  
**Hare: De Liva Rants**

**Date: 27 October 2017**  
**Venue: Scarborough**

### THE RUN

A nice big group of hashers gathered at Abbett Park in Scarborough for **De Liva Rants'** virgin run. Although rugged up with multiple layers, as the winter temperatures haven't left us yet, everyone was eager to take off, some in amazing Halloween Night outfits.

The virgin Hare was called upon for instructions, which were all on chalk, some flour AND a drink stop.

Walkers and runners took off in different directions and never crossed pass again. The walkers stayed well together, re assembling at checks and FTs. Following the reverse farrows we found the promised drink stop where we were served Port with Lemonade and lollies.

All were back within the hour, well done **Da Liva Rants**.

### THE CIRCLE

There were two visitors (whose names escaped me) that liked the run  
For **Spackle** there were too many hills, he got lost, found shiggy, but still a great run.  
Both parties gave the run a 9.5
