**Run: 1401**

**Date: 1/12/17**

**Hare: Puki Merah**

**VENUE: East Perth**

**THE RUN:** The run started from a small carpark at the end of Jewell lane. We ran down to the Swan River, and turned downstream towards the Claisebrook Inlet. As the walkers got there we could see the runners already on the other side. Up and over the footbridge, past a pub, no drink stop here! Back along the river, passed the new footbridge, well where it will be eventually. Around the back of Gloucester park, past Trinity College. To the Causeway, Under we went still following the river, past Ku De Ta Restaurant, to Plain St, across Riverside Drive, through Ozone Reserve, up & over Adelaide Tce, up Erskine Link to Hay St, through Queens Gardens, down Wellington St. Into Wellington Square for a false trail, Up Hill St, right onto Royal St. Passed Brook St across Plain St, and On Home. A well set run & very scenic.

**THE CIRCLE:** The stand in GM **GPS**, called the circle to order. He called out **Wacuda** to critique the run. **Wacuda** thought it was a very good run, with only 1 hill, scored the run 9.5. **Radar** was called out for the walkers, she though it was a good run also, & agreed the score should be 9.5.

The RA called zero hero **GPS** 280 runs for a drink. The zero hero's that were missed by the RA & Hashcash, **Hogshit**, **Slugger** 370, & **Replicar** 1040, came and demanded their zero hero drink, down down to the hero's.

**CHARGES:** The new **RA**(Father Time, or the White Grim Reaper), charged **Megawatt Wanker** with starting the trend of the RA's dressing in costume, I say that **Tightarse** looked good as Father Time, & should keep it up. A song & drink to **Megawatt**. **RTT** was called out for a song as well. **Sprinkler** & visitor Bev were called out as twins because of their identical hair do's. Drink to the twins. **Slugger** was called to show her hand in its bandage, now we know why she is called **Slugger**. **Puki Mera** charged with running past a pub & no drink stop. **Ball Wrinkle**

charged **Puki Mera**, for no beans tonight only snags. **Radar** on **Ball Wrinkle** for leaning. **D Cell** charged the **Onsec** for confusing her with corrections to her run sheet, it's not hard to do. Drinks to the charged.
