The runners crossed South St and did another loop to get home.

**Hogshit** calculated an average of 9.75. Obviously maths is not his strong suite as it should be 9.85.

**CHARGES: Soixante Muff** Charged **Arseabout** for getting lost as he was 10-15 mins after everyone else. He claimed to have called into the local house of ill repute for directions. **GPS** Charged the Song Mistress **D Cell** for sex in the circle. Yes the second man said. The second man asks are you from Shamrock St? Yes said the first guy. What school did you go to? St Marys said the second guy, what a coincidence. A woman walked up to the bar, the barman said it's going to be a long night! She asks why he replied the Murphy twins are drunk again.

**De Liva Rants,** her grandfather had died, at the funeral, she asked he Grandmother how he died? Grandma replied we were having sex when he died. SEX the granddaughter said you're in your 90's. Her Grandma replied, well we had it set up on Sundays we had sex when the church bell rang, Out on the dong, & in on the ding. We'd still be doing it if that blasted icecream truck hadn't gone past.
