So you can't ring the wong number. **Rock Bottom, Pacemaker** goes into a bar and orders 3 Guinness's, he one after the other, the barman says to him, they will go flat, why don't you order them one at a time? **Pacemakers** reply my two brothers and I made an agreement to drink at the same time no matter where we are, and this is how where doing it. A few weeks later he went into the bar and ordered only two drinks, the bar went quiet, everyone looked at him, the bar man went up to **Pacemaker** and expressed his sympathy, **Pacemaker** looked confused for a moment and then said oh no, my brothers are ok. Why only two drinks? The barman asked. MY wife has got me to join the Baptist church, I'm not allowed to drink anymore, but is doesn't affect my brothers. **Cookie**, a gay man went into a tattoo shop to get a tattoo, while looking around at the pictures of tattoos he saw Evander Holyfield, put him on my right cheek, then, he saw Mike Tyson, Evander's arch nemesis, put him on my left cheek. When he got home and showed his partner, his partner declared their relationship was over. Why the gay man asked? Well I'm not getting into the ring between those two.
