DUMMY SHORTS: Shadow nominated Impersonator & De Liva Rants. by public acclaim De Liva Rants gets them this week. Surprisingly GPS didn't nominate himself.

JOKERS: Cookie: Mabel & Fred went to the state fair every year. Every year Fred wanted to go up the aeroplane. Mabel said, it's \$5 Fred, and \$5 is \$5. Well this year the pilot overheard them, and offered if they could do the whole flight without speaking he would do it for free. Fred & Mabel agreed. The pilot flew upside down, did barrel rolls, climbs & dives, he thought they must speak soon. But Fred & Mabel said nothing, when they landed he turned to Fred and said I thought you would speak for sure. Fred said I almost did when Mabel fell out, but \$5 is \$5.

Pacemaker: During her lifetime Mavis always was a rev head. She had fast cars, and sped everywhere. She was moved into a retirement home, where she would speed around on her gopher, one day as she sped down the corridor, a staff member pulled her over, where is your licence? Mavis pulled a Turkish delight wrapper out of her pocket. Ok you can go. The next day she was stopped by another retiree where is your insurance Mavis. Mavis pulled out Flake wrapper. All good. Around the next corner is old John with his pants down, & his Penis out. Mavis screeched to a halt, oh no not a breathalyser again.

OTHER HASH EVENTS: Bunbury 2000th in May, Hamersley 40th year celebrations in November. Rock City's Pink breast run will be on 17th April.
