**Run: 1242 – The Bullcreek Affair.**

**Date: 03 October 2014**

**Hare: Wise Crack**

**Venue: Trevor Gribble Reserve. Parry Ave, Bullcreek**

It was 20 minutes before starting time when RTT arrived at Trevor Gribble Reserve and was greeted warmly by the hare. (Mainly because he had the bowls & spoons she needed.)

Greetings & salutations over, starting time arrived, there was a quick introduction to visitors Brian & Suzanne and Wise Crack was all business.

“You are on chalk & flour. Some bush, a walkers trail and the start is over there!” Off into the dark plunged the runners while the walkers took a less enthusiastic approach.

All went well in the early part of the run with the hare moving between runners & walkers to ensure all stayed on trail as planned. The plan looked a bit shaky when the walkers lost the trail after a falsy over a footbridge but the trail was located &

thanks to some strategically placed false trails & a cunning shortcut, the runners & walkers got home together.

## **The Circle**

Radar called for quiet but her voice was not heard above the roar of the crowd. RTT demonstrated he had a voice as loud as Hogshit's and during the stunned silence that followed Radar called Wise Crack into the circle & Mountain Hawk became the possessor of the Jabber Jaws.

Comments were made about the backward farrows & flour arrows but the received a score of 9.5 from the runners & 9 from the walkers so everyone was happy.

Mel Adjusted removed the Jabbers from around Mountain Hawk's neck & placed them around Suzanne's.

## **Visitors**

Suzanne & Brian were new hashers. Brian was a virgin but Suzanne had done a run with the Harriettes on Tuesday.

## **LTNS**

White Pointer, Gropa & Ramblin' all made reappearances after absences.

## **Special Runs**

None tonight.

## **Charges**

1. Replicar charged Wise Crack for the back to front farrows but this was reversed because the matter had been dealt with at the start of the circle but Replicar was not paying attention.
2. Tightarse charged Replicar for claiming to have injured a fetlock & walking.
3. Pukey Merah charged White Pointer for having gone to the wrong park & only joining the run near the end.
4. Soixante Muff charged Phantom for mistaking someone's driveway for a lane but Phantom claimed she was only looking for a beer for Replicar.
5. White Pointer charged Little Prick for practicing the Friday song before the circle.
6. White Pointer charged Fumbles for not answering his phone when Pointer realized he had gone to the wrong park & rang him to find out where he

should be.

## Dummy Shorts

The shorts were absent so Wenchy got to keep them another week.
