THE RUN

I was told I shouldn't say "fuck" when I write tha rag 'cos it mite not get thru e-mail nanny nets.

So I won't.

A crowd gathers at the WET DREAMS' residence on this fine cool evening. Many returnicks and wisitors swellin the ranks. Co-hare RTT has an assassin-like smile on 'es face thinkin of us runnin all the falsies he helped the Hare to set.

We starts a bit late 'cos we waits for the trayla to turn up. Needed to be sure that the liquid that makes the tongue wag better was here before we went.

Familiar territory here for me. I helped the Hare with her very 1st run from this venue.

And so it was that, among others, I warned DASH and DOUBLE D of many an impending falsie down the streets with no thruway or up past the Golfcouse fence on Hepburn Ave.

But of course that didn't stop some of the quickies runnin 'em. Nor for that matter me and DASH gettin caught out checkin the wrong way from checks. WISE CRACK reckoned I should've taken bets on the falsies. Coulda won a few free beers eh??

Anyway after goin around a few circles, and SHREK wakin up the nayborhood with 'es growly On-On calls, we heads south to the Marangaroo Drive end of this hemmed in area.

Knowin a bit I cuts across the local footy ground here and sure enuf here comes WENCHY headin west down the road callin the trail and so we're in the lead with the fasties followin and the slowies not far behind courtesy of the lotsa falsies.

We're out on Wanneroo road for a bit headin north. PHANTOM and BRAVETART runnin steady catch up and take the lead back inside the local streets. Still headin north thru familiar streets with more falsies we eventuly find On-Home down the same laneway we always use here to get there.

I know. I used it.

Good run. Well planned by Wet Dreams and set with the experienced co-hare's talent showin.
