PHANTOM'S EDGEWATER EPIC

The Run

I am not gunna say “fuck” this week but I will quote ANIMULE, becos, while I did not hear him say it, he is not backward in spurtin forth the 4 lettered swear words with which he is reknowned to use in normal conversation with 'es fellow Hashers. Simply put 'e got lost on this run and I have no doubt 'e said “fuck” a lot while tryin to find 'es way home.

Aside from that we did have a run.

Now it is fair to say bein the spouse of the hare that I had a little inside knowledge of the general direction this run was going. But honestly I didn't know the details. Many of you would 've noticed how I checked the wrong way and ran many falsies. “Fuck”

Anyhow the weathers fine, a bit breezy cool with the threat of a shower and PHANTOM sends us on our way south across the Emerald Reserve and to an early falsie round the park.

Back east then trail's found south and east again via a number of false trails over the hill here and headin towards Lake Joondalup. Passed Edgewater shops. Thort we could drop in for a pie and a beer from the bottle shop but we was to busy lookin for trail. Now we turn north thru another myriad of laneways. One check took us ages to find trail and SHREK was seen disappearin into the lake bush. This was the last time I saw ANIMULE. I thort 'e was followin me but alas 'e was makin up 'es own trail.

Luckily SHREK made 'es way back and cort up with me and the Walkers. So I stopped for a chat with RADAR to inform her of my athletic prowess among other important matters requirin discushun with the GM.

In to the new "quarry" housin estate and up a nice little hill, RAMBLIN gets the falsie and we's all back together lookin, lookin, lookin. It's time to get back over the mountain here and trail found up yet another laneway. Very steep but when ya turned around ya got the bute view of the lights of Wanneroo over the lake.

Runners were in fine form tonite with young BRAVETART leadin the pack a bit. With REPLICAR out injured but walkin fast, BALLWRINKLE was finally showin us 'es long legged athleticism (see I can spell) and headin up the mob with 'es sprintin bursts. E's cousin BALLWARMA not quite as active for the present.

More laneways. SOIXANTE NOUF tootin the horn and WENCHY also showin some good athletic form. Passed the primary school and we's homeward bound when we sees the Emerald Drive street sign.

Yep. Excellent run if I may say so. (you 'd say it too if ya married to the hare) Kept walkers and runners together for much of the trail. Amazin!!

The Circle

Finally after agonisin (not very much really) over the whereabouts of the inrepid ANIMULE, 'e turns up about 30 minits after the mob got back. And here we was thinkin 'e mite 'ave fallen down a gully or sumpthin after havin a heart attack, brought on by the anxiety of bein lost, and never to be found again. Darn, I really thort I mite inherit the toyota campervan.

And so Her Grand Mystryness, RADAR, calls the smaller than previous week's rabble to order to enable an orderly conduction of Circle activities. Can we play "Drop the Hankey" tonite???

Hare

The PHANTOM is brung forth for the usual accolades. Did she have any help?? Just a few suggestions. 'Cos I know. D/D executed accordingly. Scored 9.9!!

And lotsa yummy food she put on afta. Chook and more chook.

LTSNs

Only one tonite. RAMBLIN (the male one). Has'nt been gone long??

GMs Note

RADAR notes we is in Emerald Reserve here at Edgewater and makes the Irish connection So just because she can, she calls forth all Irish connected members.

PACEMAKER, BRAVETART, LITTLE PRICK, TROPPO & BALLWRINKLE all own up to the Irish backgrounds and all haves a D/D.

Charges

MELADJUSTED on WET DREAMS and LITTLE PRICK for not pushing hard enuf when overheard calling one t'uther “push harder” “push, push” “damnit, harder, harder” What was it all about?? Leave to your imagination. D/D executed by all.

PHANTOM on ANIMULE 'cos 'e couldn't find the Southern Cross. Was a bit cloudy but.

AMPOL on RAMBLIN sumptin to do with electronic aids. I missed sumptin here.

AMPOL on BALLWARMER 'cos she's green. Whatever this was about it was pissweek 'cos it got reversed and shirt needs ironing.

Dummy Shorts

Well why wouldn't ya nominate ANIMULE for the aforesaid mishap. And that's exactly what the current holder of the shorts, WENCHY, does.

MELADJUSTED nominates LITTLE PRICK for not knowin what the “blue cat's eyes” stuck in the roads are for, when her hubby is a Firey. Good nomination

RAMBLING ROSE nominates WENCHY for tryin to open sumbody else's car boot usin her car keys. That's pretty dumb.

And the winner is !!! ANIMULE

Jokers

RTT with the old Chinese restaurant larf about Peeking Ducks

RAMBLIN, Mona didn't get it??

All very humurous and entertaining as usual.

General Business

Nothing to report this week.

Aurevoir, Arivaderchi, Bon Voyage.

And remember be nice to the Grand Mistress. You mite get a lolly.
