Run: 1245 – Ladders Galore.
Hare: Dead Squid

Date: 24 October 2014
Venue: 45 Noel St, Hilton

The hare **Dead Squid** gave the assembled hounds detailed instructions on driveway. Something about dark and scary... walkers don't get separated.. runners right, walkers left. The acting RA, **RTT** prayed under his breath for a dry run and the pack set off up the hill.

Slugger found a X-fit gym and went in for a quick WAD (gym speak). Later the hare's trail led the pack through the scary cemetery. **Sir Fumbles** was a brave harrier and calmed the pack when a blue light was seen to emit from a grave. **Radar** was more concerned about the pack's safety and committed as a parting gesture to get the tree roots levelled before another run could go through there. **Troppo** was cohered into leading **Bellboy** and **Pacemaker** on a shortcut, most unlike him to be a SCB.

Hogshit was reported by **Phantom** and **Brave Tart** attempting to copy **Replicar** by getting a beer as the pack passed the Rugby club. He did!!

Ramblin lead the runners in.

ATTENTION ALL: **Animule** made it home ok, rest easy.

The Circle:

JOTW from last week “Peeking Duck” was still echoing around the circle when, “Form a circle!” the Grand Mattress called to the pack. The gannets polished off the snacks and the On Sec got his shit together. Then hare **Dead Squid** was called in and told us a true story before his on-down.

Hare:

Dead Squid was congratulated for a great run and the pack was amazed it was not at Piney Lakes Reserve but at “ladder city” Hilton. A run score was agreed by runners (voiced by **Dash**) & walkers alike at 9.7 on the proviso the curry was good. The score held as the curry was tops.

Visitors & LTNS:

Rosie, Sybil, Megawatt, Hogshit, Slugger, Blow Job (f), Goldee, Bellboy, Immobilise Her and later a special welcome back to **GPS** (as he complained he can't hear the GMs request for LTNS to “come on down”).

Charges (ODs):

1. **Tightarse** – imitating a drunken golfer.
2. **GPS** – talking (bragging) about sex, then admitting in was just a dream.
3. **Hogshit** - missing the on home. Defence that he wanted to run it a 2nd time on his new knee was not accepted.
4. **Packmaker** – escaped an on-down for new shoes as evidence was presented that he had warn them before.
5. **Immobilise Her & Butter Buns** – looking thirsty.

Specials & Birthdays:

Pacemaker last week & **Dash** upcoming,
Tightarse & Mountain Hawk anniversary.

Jabberjaws:

Not issued, circle was exemplary, no talking that you could hear over **Tightarse**

Dummy Shorts:

Tightarse (too pissed to run), by a massive margin it was **Tightarse!!!**

other unsuccessful nominations:

RTT (not wanting to shortcut in cemetery),

General Business:

1. Hares are urgently needed, see Wenchy, we need a few to set up the new committee.
2. If you don't have a FH3 run singlet see Habberdash
3. Albany run all sold out, Troppo & Phantom are attending
4. **FH³ AGM** – 28th November, come along and join in the CIRCUS theme to welcome the new committee

Jokers:

Dead Squid (another true story),
Mountain Hawk (old sex & teeth), she loves her punchlines,
Double D (f) (cop and the designated drunk)**JOTW**
Tightarse (forest fire)

Other Hash Events:

Details of other hash club events can always be found on the FH3 web site and attachments will be forwarded as they come to hand.

Albany Boot Run – 1st November @ 1:30 pm, all sold out,

Street Doctors – 19th November Docs & Nurses run

Perth Crankers AGPU -1st March

& Nash Hash Preamble -1st & 2nd March

NASH HASH – 6th – 8th March 2015 @ Busselton

The Song:

Lead by Troppo, as usual with much aplomb. A late OD was given to RTT as doing an admirable job as acting RA & On-Sec with Troppo.

The Food:

Again the curry was great and lots for seconds.
