**Run:** 1246 – Trick or Treat

**Date:** 31 October 2014

**Hare:** Dead Squid

**Venue:** 31A McCoy St., Myaree

It was a night for pranks. **Horny Flasher** gave the usual run instructions, most notable was that the farrows would be on the path, but some are not, they are on the left, but some are not, occasionally on the right. Then drink stop as almost back home, **Ballwrinkle** was parched by DS and skulled his port. **Sir Fumbles** managed to loose the rest of the walkers and beat the runners to the DS (who thought he short cut?). The walkers' branch was late in the run, but we all made it back despite the hares trying to loose the hounds with backward farrows. **Cookie** tried the show her prowess by trying to catch an egg that was thrown at her by some ghoulish boys...splat near by. The lost walkers were able to get some lollies & candy before the DS by pretending that they were children and threatening "Trick or Treat" on an old lady. **Shrek** missed the start but made sure he got to the DS.

### The Circle:

"Form a circle!" and the pack in fine tradition formed a square under the glow of a Halloween lamp. Announced that some of our members had gone to Albany for the 100<sup>th</sup> Year since the ANZACs had left.

### Hare:

**Horny Flasher** & Co-hare Butter Bums were given an outstanding 9.8 for the tough 8 km run.
