**Run:** 1247 – Happy Birp Day

**Date:** 7 November 2014

**Hare:** Tightarse

**Venue:** 25 Willis St., Mosman Park

It was the usual **Tightarse** run; well let the scribe explain. As has become the “norm” on his runs it all starts out well, with some difficult checks & falsies to keep the pack guessing. Then we have the expected “fall of a hound” (howling), resulting in skin off and some of the ensuing red stuff. This time it was **Cowpat’s** turn. Then up and down around the similar area to the waterfront and drink stop at the usual spot or so we thought. That is where the usualness stops. It wasn’t a drink stop but a “refresh stop” of JUICE (novel) to refresh the pack for the long climb up the hill to..... surprise the real DS, ably manned by **Mountain Hawk** & son. Lots of quaffing and guzzling and some of the pack were so desperate for the chocolate that they got the newly raised (following Halloween) **Dead Squid** to apply his engineering knowledge to tearing open the wrapper. After the ON-ON the walkers made it back safely, but the running pack went off trail at a deviously set FT. Not one runner found the correct trail until almost home. **Puki Merah, Ramblin’, Whitepointer & Hogshit** were so close to finding the Farrows just off the FT that, if the Farrows had been dog shit they would have had to clean their runners. **RTT** (newly 1200<sup>th</sup> man) led most of the runners on a sightseeing trip to see his old house. **Tightarse** rightly commented, “It just goes to show how blind the pack is at times” and threatened to take the hounds back to show them the trail. You know the runners wont hear the end of this!

Where is **Troppo, Replicar** or **Sardar** when you need help? Poor **Troppo** was disabled by the Albany experience. With all back nibbles & drinks before Circle.

**The Circle:** “Form a circle!”

**RTT** (acting GM as **Radar** was missing in action) with suitable lack of control got the circle together. Needed **Mel Adjusted**’s voice?

**Hare:** **Tightarse** & co-hare **Mountain Hawk** were given a “not so good” by **Phantom** with an 8.8 (she was one of the lost souls on the run and still reeling from the +8km side-track to see **RTT**’s place). **Dead Squid** offered an 8.9 from the walkers. **Butter Buns** said the scenery at the DS was great, but there was no piss stop? An average of 9.64 (Where did we get the mathematician from that worked that out?)

**LTNS:** **Butless & Screwdriver**.

**Visitors:** **Mile High** from Hopetoun, SW WA.

### **Charges (ODs):**

1. **GM** -> **Sir Fumbles** - not reminding **On-Sec** to give him his 1200<sup>th</sup> badge.
2. **GM** -> **Butter Buns** – looking for or found a “Hard One” on the run & impersonating Hash Flash.
3. **GN** -> **Ramblin’** – whistling “On-on” on the run, a difficult thing to do, talented.
4. **Circle** -> **Rambling Rose** – one **Ramblin’** drinks, all **Ramblings** drink.
5. **Tightarse** -> **Cowpat** – tumbling on his run against orders.
6. **Circle** -> **Suka** – not wearing Dummy Shorts on run.  
NO defence – said she runs so fast and she didn’t want them to catch fire.
7. **Circle** -> **Cookie** not using Hashname on run to address hasher.
8. **Mountain Hawk** -> **Rockbottom, High Beam & Dead Squid** for act of desperation in ripping opening chocolate wrapper at DS.
9. **Double D (f)** -> **Troppo** – Burping both ends on run, defence was “Let the wind blow free!”
10. **Rockbottom** -> **Dogshit (K9)** – missing his “un-invite to circle” (nominated proxy - **Slugger**), **Cowpat, Hogshit, RTT** (locum - **Rambling Rose**) - one **Shit** drinks, all **Shits** drink

### **Specials** (Runs, Farewells, Birthdays, etc.):

1. **Tightarse** - 250<sup>th</sup> – only ½ the runner of **Wenchy**.
2. **Wenchy** – 500<sup>th</sup> run – supported by **Rambling Rose, Cowpat, Cookie & Phantom**
3. **Tightarse** – 71<sup>st</sup> birthday, celebrated with “the Never Ending “song

**Dummy Shorts:** **Suka** (carried over), as must wear DS on run!!! **Hogshit** explained that the empty mug is to be tipped upside down on her head to demonstrate that mug is empty after down down, not over the **GM & On Sec**.

Other unsuccessful nominations:

**Little Pick** (again pleading for DS) she is bound to get them soon,

**Cowpat** (tumbling on run)

**Jokers: (JOTW \*\*)** **Rambling Rose \*\*** (Parson’s babies & salary increase – Rubber boots), **Horny Flasher** (suction to floor, with snail trail to older tiles), **Cookie** (Bride with no ears), **Tightarse** (Sex with Hitch hikers at 71 tells the world).

**Jabber Jaws:** Acting RA –**Troppo** was busy and issued JJ to the ones that can't stop talking in circle
