**Run: 1248 – Jacob’s Ladder**

**Date: 14 November 2014**

**Hare: Puki Merah**

**Venue: Willong Pavilion, Kings Park**

When you start at the top of a hill your expectations are that you are going to be struggling back up for the On-In and **Puki Merah** didn’t disappoint any of the hounds. The runners like **Ramblin’ & Replicar** were heard to say as we ran through Kings Park towards Thomas Street “Glad we are heading away from Jacob’s Ladder”. The trail swung around through a maze of back alleys and ran passed the seat of Government and on down toward the river then backup and over the freeway cutting through Perth and into the CBD and down to the Platypus (otherwise known as the Convention Centre). The runners courteously had a song stop, lead by **Troppo & Ballwrinkle** to allow the hare to set a deviation around a car park due to an over zealous security guard.

Hares Note: This means ICE, if the hare is caught setting trail on a live run. Shortcutters **Mel Adjusted, Radar, Slugger, Mouth Organ & Shadow** made a figure 8 back up St Georges. Trail went along the Riverside Drive to the narrows bridge and a FT over a corkscrew footbridge. Hash Horn **Soixante Muff** narrowly escaped the trap. At this point some optionally short cut to wait at the base of Jacob’s Ladder for the pack that had stayed on trail around the lake and over bridges.

Half way up Jacob’s Ladder we passed a loony carrying her friend on her back up the ladder and I thought, we were nuts. On-in passed the Thermos Flask and through the park to hit the nibbles & drinks before the Circle.

What timely reticulation, it came on as the circle ended. Wet paperwork again.

**The Circle:** “Form a circle!”

**Radar** finally called the circle together once she was out of holiday mode. Needed **Mel Adjusted**'s voice again the pack showed a total lack of respect for the Grand Mattress!

**Hare:** **Puki Merah** was called from the BBQ duties to have his On-down sitting on ice for getting caught setting trail on the run and sending it up Jacob's Ladder. All the pack agreed that it was a great run, despite JL. **Wenchy** gave it a well-deserved 9.5.

**LTNS:** **Shrek & Mel Adjusted.**

**Visitors:** none.

### **Charges (ODs):**

1. **GM** -> **RTT** – for acting GM on previous run.
2. **Replicar** -> **Shadow** – sitting in circle, she forgot that she needed 1000 runs for that.
3. **Mel Adjusted** -> **Mouth Organ** – inappropriate use of non-hash name on run.
4. **GM** -> **Mel Adjusted** – no sex on run, tugged **Shadow** up the hill.
5. **Double D (f)** -> **Butter Bums** – for calling her accident prone.
6. **GM** -> **Troppo** – skipping to school or circle?
7. **GM** -> **Shadow** – post leaning, although she did it well.

**Hogshit** – apparently putting wrong run number on sheet, hear say evidence.
