A Drinking Club with a running problem @#!

Run: 1250 – AGM Run

Date: 28 November 2014

Hare: Radar

Venue: Riverton Park Pavilion

The threatening clouds were moving in on the unsuspecting pack as they were busy preparing for the nights festivities, hanging decorations and fitting their commemorative Tees. Where was the RA to quell the storms? **Sadar** was weaving his magic in his Caribbean lair, and it worked, no rain on the run. That accolade will be an On-down when he returns and the new RA, **Suka** will see to it as well as learn how he does it. GM **Radar** called the pack to heed the hare. “Oh that’s right it’s me!” she was heard to mutter under her breath. The usual instructions were given about chalk and flour and the runners were off, the walkers cunningly held back as the lead pack did a big sweep of the park before disappearing off into the dark. What a fine array of costumes. How did **Replicar** run in high heels and a long frock, well badly of course, what a tart he made? **Double D (Mrs)** just couldn’t stop growling at him, as Tigers do when they are hungry. Speaking of **Double D** what an odd sight two identical **Double Ds** looking each up and down as they harmonized saying “It’s like looking in a mirror!”

Thank heaven **Shrek** is back running, without his calling I’m sure some of the pack would have been lost. **Cowpat, Bravetart & Phantom** were typical of the cunning hounds that smelled the false over the bridge and held back for the “F and T” call by the lad(y) in the dress. **Troppo** had already sniffed out the correct trail and **Ramblin’** led the pack home over the fence then missed the On-In, luckily **Soixante Muff** (Horn) and Double D were helped over the fence so the horn called the pack back home.

How do they do it? The walkers were home before the runners again! **Butter Buns, Horny Flasher, Slugger, Shadow** wearing the Dummy Shorts, **Doggy Do & Sir Fumbles** were hitting the nibbles. **Suka & High Beam** arrive late did they do the run?

Now, as this is my last rag and if you don’t agree with my lies,
“Frankly I don’t give a toss!”

The Circle: “Form a circle!”

Radar excitedly called the circle together for the last time, or so she thinks.

Hare: **Radar** with her co-hare **Mel Adjusted** gracefully had an OD. **Replicar** congratulated the hares and suggested a 10. This was upgraded by a crawler or was it the **GM** to an 11 out of a possible 10 (if so this must have been the biggest miscarriage of justice by an out going **GM**). It was a quiet circle as the hounds wanted to get to lick **Cookie's** dishes.

LTNS: **Double D (Mr), Gropa, Wisecrack.**

Plus **DD (Mrs), Wenchy, Horny Flasher & tart Replicar;** (if 1 DD drinks all DDs drink).

Visitor: **Leo (Troppo** generously took OD as we all know lions don't drink beer).

Charges (ODs):

1. **Ramblin' -> Puki Merah** – not liking the Fairy Floss.
2. **Rockbottom -> Suka & High Beam** – late for the AGM run.
3. **Wisecrack -> Cowpat** – spider ladders on legs.
4. **Troppo -> Rockbottom** – leaning in circle.
5. **GM -> Dash, Troppo (Leo), Suka, Sir Fumbles, Bravetart, Doggy Doo, Cowpat, Cookie, Horny Flasher & DD (Mrs)** – 1 animal drinks all animals drink.

General Business:

1. **Salvo Run** – great run, reported they “Got a shit load of stuff!” That's great.

4. Hares are always needed, see Trail Master **Dash**.

Jabber Jaws: no action due respect for GM.

Committee Handover: (photo & OD)**Radar** – thanked the outgoing Committee**Hogshit** – announced the incoming committee (see above).

NB: The pack was advised that we don't have an On-Sec for this year and volunteers were called for. **Hogshit** said it's not an immediate issue, as he will continue to get Rag out, we will need a scribe each week. **Next years GM???**

Dummy Shorts: to **Radar** – by narrowest margin, she has wanted them all year.

Other unsuccessful nominations:

Shrek, Ramblin', Arseabout, High Beam & Doggy Doo**Shadow** – carry-over, outgoing DS ran with shorts (around park).
