*A Drinking Club with a running problem @#!*

**Run: 1254 – Beach Run**

**Date: 2<sup>nd</sup> January 2015**

**Hare: Radar**

**Venue: South Carpark, City Beach**

**THE RUN**

After leaving home on a beautiful WA summer's evening, we arrived, a short time later at City Beach and a howling gale, straight from Antarctica. Everyone rushed back to the car for extra clothing, except for some of our visitors, who were not aware of the vagaries of the West Australian climate.

The New Year hugs and kisses warmed us up a bit but only a bit. **D-Cell** was the most noticeably uncomfortable - shoulders hunched, hands in pockets, knees locked together – couldn't wait for the run to start and warm us up.

And start it did, with instructions from **High Beam** to look for arrows on the right-hand side. The trail took us on a tour of ostentatious mansions, with **Slugger** pondering upon why people needed such big houses – *"To show off how much money they can borrow"*, was one idea. Nice area, though. Lots of parkland and ocean views. The pack was quite spread out but the trail was clearly marked, so no problem for the stragglers and always the prospect of THE DRINK STOP to keep spirits up. A nice drop of bubbles and taste of chocolate sent us happily on our way along the short walk back to the beach car park. There we came upon **Dead Squid**, slightly annoyed about a lady reversing into his MGB. She's one of those drivers who sees a message on her windscreen saying 'Parking Fine' and thinks *'What a nice compliment.'*

The local council had chosen to illuminate the entire length of the beach except the car park chosen for Friday Hash. So we moved behind a clump of bushes for protection from the howling gale and set up our own hash lanterns.

**The Circle:** *"Form a circle!"*

**GM Hogshit** called hares **High Beam**, **Too Tight** and **Raspewtin** to face the verdict of the assembly. **Dead Squid** spoke for the walkers and declared the run *'Tremendous'*. However, in his opinion we are far too generous with our run scores and he considered 8.3 a very good score. **Phantom** was the spokesperson for the runners and said the run was *'Great'* and worth 9.995. A quick, approximate, calculation by our **GM** worked out that the score was **9.75**. What a surprise.

**LTNS:**

**Rambling, Blue Moon, Disco Stu, Ballwrinkle, Mouth Organ, Wet Dreams, Too Tight, Animule, High Beam, Raspewtin**

**Visitor:**

- **Neverhard**

**Virgins:**

- **Stefan, Ellinor & Helen** who were all treated to a welcome song from **D-Cell**. Will we ever see any of them again?

#### Charges (ODs):

- **Dead Squid** was charged for interfering with women drivers
- **Replicar** charged **Phantom** with sabotaging the run and, after an impassioned rebuttal by said accused, a race-off was called for. **Phantom** was declared the winner and the charge was reversed. It's a brave hasher that dares to charge **Phantom**.
- **Willi Willi** charged **Dead Squid** with talking about someone called **Joe** – reversed. But then a man called Joe stepped forward and revealed that the Joe was in fact him. Double reversal.
- **GM** charged **Disco Stu, Ellinor** and **Stefan** with racing.
- **Disco Stu** was then recognized for standing in as **Hash Flash** for a while
- **Meladjusted** charged **White Pointer, Little Prick** and an unknown person with leaving property at his house after the Christmas run.
- **Neverhard** was awarded the jabber jaws on numerous occasions

#### Birthdays & Special Awards:

- **Wet Dreams**, finally took possession of her 100 run badge on her 109th run,
- (no birthdays this week)

#### Jokers:

- The only joker this week was the weatherman, "A light air on this summers day".

#### Dummy Shorts: Holder **Shadow** was absent

- **GM** has a recipient in mind for next week.

#### General Business:

- After suffering a wound to his leg on the last run **Dead Squid** recommended that **Friday Hash** purchase & provided a suitable first aid kit. **Slugger & Little Prick** volunteered to organize one.
- See **Haberdash Slugger** for Friday t-shirts
- **Trail Master Dash** will be happy to give you a date to set a run
- **Remember visitors you bring:**- you are responsible to explain FH3 etiquette such as - cost of drinks (**not free**), see Hash Cash to pay for run, sign the book, how to take an on-down, explain possible trail markings, if you find a farrow to call On-On, etc.
