THE RUN

Posh place, Applecross, isn't it? Posh Streets, posh trees, posh houses, posh river, posh Range Rovers all over the place. Not so many of the monstrous mansions favoured by the residents of some of our Perth suburbs, but more of the understated, classier type of dwelling. Some of them store rubbish in their garages, though. Snobby **Dead Squid** pointed to one with the door open, too full to take any of the three cars parked in the drive. "I keep a car in my garage," said he. "Garage?" said I. "Bloody luxury."

Shaftsniffer had decided to help out the hares by setting the run whilst they organized the drink stop and dinner. We can't complain about that. Down to the river we went, then puffing and panting up Wireless Hill, where **GPS** pointed out four free-standing, eerie, red brick houses on the left. He used to read their meters in another life and thought them weird at the time. **Sir Fumbles** was not to be misled by misleading farrows off to the right but strode straight on, claiming to know where the drink stop would be. And he was right. There they were, the runners, on top of the lookout, drinking port and lemon and making lots of noise, as is their wont. A short but pleasant interlude ensued, with darkness falling before we set off for home. **Shrek** was spied running off in one direction well before anyone else was ready to go but **Mel Adjusted** insisted the on-home was back the way we had come. **Butter Buns** and **Horny Flasher** confirmed that that would be the shortest way back. So, discretion being the better part of valour, the walkers ignored **Shaftsniffer's** outstretched arm and pointed finger (memories of policemen directing traffic) and set off, quite happily, back the way they had come. Back down the hill and past those four houses again – even more sinister in the dark.

Prosperous Chicken separated from the rest of the group after we crossed the highway. He declared that his would be a much shorter route back and **High Beam** believed him. Very, very foolish. Even **Snappa** said so. They finally arrived, red-faced and panting, long after the rest of us had slaked our thirst and tucked into the nibbles. It remains to be revealed what kept them so long.

Even later, though, came the runners. They were not all delighted at the long run-in from the drink stop and made a note to mention that fact during the circle.

THE CIRCLE

GM Hogshit, still red-faced from his exertions, gave a long diatribe about the requirement to get the pack home within an hour. Even a very pleasant drink stop should not deter us from that objective. **D-Cell** spoke for the runners and said the run was all arse-about but they could have three points each. **Prosperous Chicken**, for the walkers said it was 'splendid'. I couldn't work out what was the final outcome but everyone was happy, even **Shaftsniffer**, who had borne the brunt of **GM's** call for rectitude.

LTNS: Tardy Tart, IC, Little Prick, Prosperous Chicken, Shifty, Wenchy, 15 Minuts

CHARGES:

GM charged **Double D** with being hobbled
Radar was commended on her massive weight loss but suggested a new wardrobe might be in order
Wenchy was late but caught up – showoff
15 Minuts was recognized under her new name
Hard One represented the Chinese community on the start of the Lunar New Year
Mountain Hawk charged **Prosperous Chicken** and **High Beam** with short cutting
Meladjusted charged **Shifty** for having her eyes open for once
Wenchy charged **Double D** with no hash gear. **Double D** countered with projection of her Jimmy Hendrix t-shirt and reference to his love of hashing. Surprisingly, her protest carried no weight and was not upheld
RTT charged **Shrek** with perversion in missing **Replicar's** nuts
White Pointer made several attempts to lay a charge on **Butter Buns** but, due to **GM's** poor peripheral vision, he was overlooked and his charge finally fell on deaf ears
Little Prick charged **Slugga** with misnaming **GM**
Butter Buns on **Shrek & Sir Fumbles** for their questionable leanings
Mountain Hawk charged **Cookie** with being posh
Butter Buns related a long saga about **Shaftsniffer** and his collapsible Eski – could have been a dummy shorts contender but he wasn't

AWARDS: Dead Squid was finally awarded his well-deserved 400 run badge

BIRTHDAYS: None

DUMMY SHORTS: D-Cell made a good case for awarding the shorts to **Shrek**

JOKERS:

Cookie told a swift one that had everyone in stitches
Little Prick did warn us that she's not a good joke teller and we would now all agree with that assessment. However, her attempt was amusing in itself and, hopefully, practice makes perfect so do not be deterred
Pacemaker told one about **Tightarse**
Tightarse told one about geriatric summer and winter sex
Shaftsniffer about working from home
Cookie told one about the effect of desire on common sense

SONG: GPS

GRUB: Minestrone and pumpkin soup – thank you, **Butter Buns** and **Horny Flasher**
