THE RUN

We were fewer in number than usual this week because **Nash Hash** was on in Busselton and lots of Friday's regulars were off enjoying the delights laid on for them by the Nash Hash Committee. We hope it was all that they hoped for and we expect to hear about it next week. Meanwhile, we stalwarts *soldiered on; held the fort; kept our powder dry, and kept the home fires burning.*

Few in number but high in decibels we were, especially after **Shrek** turned up. **Rock Bottom** pointed the way and declared a drink stop so we all rushed off at full pelt towards the promised refreshment. Darkness fell fairly quickly and **Tightarse** was heard to remark that we should have run in this location during the season of longer days - lots of bush land and scenery that we couldn't appreciate to the full. It was a perfect evening, though, and the pack made lots of noise, much to the consternation of some of the local residents. Two ladies out walking their dogs in the bush kept asking who we were as we all marched past them. Only **Replicar**, who was marking the trail and **RTT** had the patience to try to explain then, lo and behold, like a streak of lightning, a tall figure flew past, earth trembling with every step. Recognisable from the rear by gender, height and gait it was none other than long absent but not forgotten **Skippy**.

Slugger, as usual, was soon to be heard begging for the drink stop, and there it was, manned, or should it be womanned, by **Rock Bottom** and **High Beam**. Then, from a completely different direction, came **Suka**, accompanied and possibly rescued by **Crusher**, who was sweeping. Don't know how **High Beam** arrived early at the drink stop but her departure with **Suka** in **Rock Bottom's** car did not go unnoticed.

THE CIRCLE

GM had asked **RTT** to stand in for him and the hapless chap was probably sorry he'd agreed when he confronted the noisy rabble he was to deal with. Fuelled with copious quantities of bubbly and spurred on by the trumpeting fanfare from **Shrek**, the circle looked daunting indeed.

Butter Buns said the run was, "*Yes, picturesque, challenging but we like a challenge and the drink stop was worth 9.85.*" **White Pointer** said that it was more of a walk than a run and only worth 9 - much to the indignation of **Rock Bottom**, hostess, hare and chef.

LTNS: **Replicar, Skippy, Free Beer (belatedly)**

CHARGES: Stand-in Hash Cash, Slugger, who protested that she was wearing 2 hats – **haberdash** being the first **Stand-in Piss Pourer - GPS**
Crusher charged **Skippy** with being very late and not knowing that we start at 7
Tightarse got one for moaning about the darkness
Replicar charged the hares with going past a pub without stopping but **GM** cited the drink stop in mitigation
Tightarse said we'd gone past 2 jungles and he'd never seen a thing
GM charged **GPS** with low profile and deafness (I wonder that anyone could hear anything by this time)
Tightarse charged the only runners, **Replicar** and **White Pointer** with misogyny
Suka awarded herself the jabber jaws
Horny Flasher charged **Suka** with forgetting **GM's** name
Shrek charged **Horny Flasher** with forgetting lots of names
Shrek was awarded the jabber jaws but **Suka** couldn't reach to put them round his neck
Mountain Hawk charged **Replicar** with placing his nuts in **High Beam's** custom-made scrotum
Rock Bottom charged **RA** for not providing enough light on the run
Tightarse charged **Butter Buns** and **Horny flasher** with being the inspiration for LM Alcott's "*Little Women*"
Mountain Hawk complimented **High Beam** for producing attractive scrota
GM charged **Dead Squid**, who remarked on the wild life in the circle
10% & Hard One were charged for their silence, whereupon **10%** charged **Shrek** with superlative calling "*But I'm Hash Horn*", said **Shrek**
Then **Free Beer** arrived, fresh from Albany – "*Sorry I'm late.*"
Butter Buns charged **Shrek** with leading ladies into dark bushes and being a misogynist
Suka charged **Rock Bottom** with failing to supply chocolate at the drink stop
Tightarse congratulated **Dead Squid** on checking the trail for the first time in his life
Rock Bottom blamed **Crusher** for forgetting the bowls – family court judge upheld the charge
