Run: 1270
Hare: Troppo

Date: 1st May 2015
Venue: Charles Veryard Reserve,
Bourke St, North Perth.

THE RUN. This was the “Pizza Run.” In fact there were so many pizzas that we almost had one each. **Troppo** even took 2 home. There is nothing tastier than cold pizza for breakfast. No cooking, just open the fridge door, pull out a pizza, tear off a wedge and sink your teeth into it. Nothing better - well OK, maybe two fried eggs, bacon, sausages, beans, tomatoes, toast, glass of juice and endless cups of coffee. But without a woman to cook, how are you going to have such a breakfast? But therein lies a hash truth. If you cannot cook for the hash, then buy pizzas, or fried chicken, or pies, or any takeaway you can think of. A carrot in boiling water is not enough.

By now the astute among you will have realized this hasheet is not being written by **Mountain Hawk**. She was in Canberra. “She’ll have a great time without you,” said **Shadow**. **Shadow** always pays me a compliment every hash run. She likes me. She really does.

Back to **Troppo**. I have to say the food saved him. On average his run was - well average. On average he kept the pack together mainly because everyone got lost. There was a lot of milling about. (Is that an Australian expression? In Yorkshire we have lots of mills (facories), so it makes sense. *Milling about = moving about in a confused mass*). **GM HogShit** was so milled he awarded the run 7.5. **Wise Crack** opined that there were not enough arrows. **GM** was annoyed by the noise - road noise. **Troppo** was unfazed. In fact **Troppo** is never fazed. (*Fazed = disturbed or disconcerted*). He takes every form of comment, criticism, joke against him, with a smile on his face. His unfazed face. That’s why I wrote his hash song to the tune of, “*I still Call Australia Home*.” Try singing it, practise and we’ll give it a go next Friday.

*Troppo’s a trouper that we can see
A Super Duper Trouper we all can agree
But no matter how Super Duper is he
We still call him Troppo
His Hash name is Troppo
He’ll always be Troppo to me.*

THE CIRCLE The circle was noisy – **Scrotus Maximus** was there - he still calls Friday Hash home.

LTNS **Wise Crack, Doggy Doo, Shifty, Thrust, Snappa, Scrotus Maximus, Rambling, Whorda. Shaft Sniffer**

VISITORS **Bark Off** (new name).

CHARGES

GM charged **Soixant, Dash & Rambling** for something on the run??

Shrek did not introduce his guest **Bark Off** to the **GM**.

She was then honourably named in the circle as **Bark Off** – or as **Slugga** pointed out **BO**.

Rock Bottom fell for **Shrek**, or was that she was felled by **Shrek** on the run. Both got a down-down.

Wise Crack thought that wearing a torch on his forehead - as **Rambling** did - made the beam of light too high.

TightArse suggested this was a high beam and so **High Beam** was called to drink with them.

Sir Fumbles missed out on his 550 run drink so got a 551 drink instead. For some reason known only to themselves

Shadow and **Replicar** took a down-down with him.

Tightarse being of a sweet mind charged **Thrust** with selling sweet honey. ***No money no honey, no honey no funny.***

BIRTHDAYS **Ball Wrinkle** was most upset that **GM** didn't call him in for his birthday – especially since he had baked a cake. **GM's** rather lame excuse was that he had called for 'Special Events' and, on this night, that included Birthdays???. **Ball Wrinkle** thought this was hogshit.

DUMMY SHORTS **Troppo** was the only nominee, much to the disappointment of **GPS**.

JOKERS A slow start before **Shaft Sniffer** told a true story about sperm and tonsils. This was not a joke about **Mouth Organ**.

Shadow told a joke about Penis & Puppetiers.

TightArse recited a three in one punchline story about a prisoner.

Not to be beaten **Dead Squid** told a joke about a firing squad - which had everyone squirming.

GENERAL BUSINESS **The River Cruise on 9 May has been booked** - Dinner, beer, wine and sparkling wine is included and there is a bar for any other drinks you might fancy. We are boarding at 7.15pm, check-in time 7pm. Gather at the Lucky Shag at 6.30. **Contact RA Suka for queries**

Rottnest – last weekend in June. It's now 3 nights instead of 2. Mel Adjusted reckons you have to pay extra for accommodation but less for the boat resulting in a \$13.50 saving per person. However 2 more people are required. Contact **Web Wanker Meladjusted**

Hi Beam, Cookie & Sir Fumbles are organizing a trip to Myalup during the winter months

Which reminds me that there is going to be a knees up, (is that also a Yorkshire thing), in Bali. For this knees up there's a Chine-Knees team, Japan-Knees and Taiwan-Knees. There are two teams from Jakarta, that's Indon-Kneesia and Bali-Knees. We are lucky on the Friday Hash as we've won a wild card and are sending in a team of Return-Knees. Money raised at this event will go to the Kneedy.

OK got to stop! **Mountain Hawk** is complaining that this hasheet will be going out too late. She's really hassling me. So I'm calling this my hassle sheet. Just a little private joke.

GRUB Pizzas, pizzas and more pizzas. Delicious.

THE SONG **Shadow**. She's setting the next run.

WHEN 'LAST DRINKS' IS CALLED AFTER THE CIRCLE PLEASE BUY YOUR DRINKS AND THEN HELP HASH SPLASH TO LOAD THE TRAILER. DO NOT LEAVE SPLASH TO MANAGE IT ALL
