Run: 1271
Hare: Shadow

Date: 8 May 2015
Venue: 53 Hamilton St Stirling

Thank you RA Suka, Hash Cash Double D and everyone involved in organising and attending the River Cruise on Saturday evening. 29 very noisy, merry Friday hashers left the ferry well satisfied with the evening's entertainment.

THE RUN

The numbers usually dwindle as the nights draw in but perhaps the lure of a run set in the comfort of the hare's home was what brought 38 Friday hashers out of the woodwork. At least, that's the number that signed the book but there were a few extras who might not have signed. **Muddy Bottoms** and **Kiss My Arse** were definitely there and had to be added to the book, so that makes 40 that we know of. A very good number for a dark night.

And dark, it was. You couldn't really see a lot and **Shadow** warned us in her pre-run instructions that she had done the run all on her own. She got fed up from time to time with marking farrows. There was only one long farrow-less stretch but that was along a narrow path with a high wall on one side and a fence on the other, so there was nowhere else to go but straight. And there, across the cute wooden bridge at the end of the long stretch was **Shadow**, table erect and loaded with doughnuts, port and lemon to refresh the athletes. We all felt mean leaving the hare there on her own to clear up after the drink stop but she would accept no help. **Shifty** offered but was sent on her way.

Recharged with alcohol and sugar we carried on past new house after new house and the occasional vacant block awaiting the attention of the developer, soon to see the 'On in' mark and the prospect of drinks, nibbles and grub chez **Shadow**.

THE CIRCLE

GM decided that **Shadow** had done a fantastic job, considering that it was only the second time she had set a run without a co-hare. "Well done, **Shadow**", said he.

LTNS Rambling, Little Prick, Kiss My Arse, Wenchy, Cookie, Whore Da

VISITORS Nikki (Wisecrack look-alike), Madeline (relative of Dead Squid)

CHARGES

Sluggler, **GPS** and **Puki Merah** were rewarded as stand-ins for **Hash Cash**, **RA** and **Horn**, respectively

Mountain Hawk charged **Replicar** with implying that the hash is a running event

Sluggler charged **D-Cell** with being taller than the **GM** – 2 foot height assisting wall notwithstanding

Mountain Hawk charged **Scrotus** for referring to a conversation they'd had the previous week when **Mountain Hawk** had not been at the hash – **Scrotus** tried to defend himself but just dug himself into a deeper and deeper hole

Cow Pat charged **Tightarse** for being under the mistaken impression that **Cow Pat** has a limp, not a lean

Rambling charged **Phantom** for complaining that "*It's hard on concrete*" but the charge fell on deaf ears

Little Prick charged **Radar** for insinuating that she has underdeveloped mammary glands

GM charged **Puki** with having to bend double to find trail

Shadow charged **Sluggler** with something relating to little pricks

Shadow thanked **Cookie** for carving her meat

Tightarse charged **Bell Boy** with missing the run by **15 Mi Nuts**

GPS endured yet another disappointment in his task as **RA**, feeling that he hadn't kept a high enough profile – he made a job for himself in regaling us with tales of a long dry spell, and calculating that 400m women in the world don't want him

BIRTHDAYS **None**

DUMMY SHORTS **Troppo** nominated **GPS** for his fashion sense, **Wenchy** for getting lost on the way to the hash – blame **GPS** for that – **Puki Merah** was nominated for horning from behind – **Little Prick** was nominated for some reason or other but **GPS** won the shorts for transferring money into the wrong bank account

JOKERS **Cookie** told one about being in jail for 20 years

GENERAL BUSINESS **High Beam** thanked us for the flowers sent by the hash during her daughter, **Low Beam**'s time in hospital – **Low Beam**'s health is improving

Rottnest – last weekend in June. It's now 3 nights instead of 2. Mel Adjusted reckons you have to pay extra for accommodation but less for the boat resulting in a \$13.50 saving per person. However 2 more participants are required. Contact **Web Wanker Meladjusted**

High Beam, **Cookie** & **Sir Fumbles** are organizing a trip to Myalup during the winter months

GRUB **Roast beef, buns and baked potatoes – thank you, Shadow**

THE SONG **Horny Flasher** - she's setting the next run.

WHEN 'LAST DRINKS' IS CALLED AFTER THE CIRCLE PLEASE BUY YOUR DRINKS AND THEN HELP HASH SPLASH TO LOAD THE TRAILER. DO NOT LEAVE SPLASH TO MANAGE IT ALL
