**Run: 1275**

**Hares: Puki Merah**

**Date: 5<sup>th</sup> June 2015**

**Venue: Kings Park "not the Jacobs Ladder" Run**

### THE RUN

Traffic jams on the freeway and Mount Street tried to delay some of us, but all were gathered right on 7pm. There was some concern that we might end up on Jacob's Ladder, but it was not to be. A 7-10km run through West Perth, which did not include a drink-stop, as those gathered in Russell Square wouldn't share, though **Shrek** tried. The walkers all stayed together and no-one got lost. **Skippy** described it as a "long long" run, which probably has nothing to do with distance. It was good that **Puki Merah** had been under medical instructions not to run, or it may have been long longer! His trip to the dentist also revealed some trails near the freeway that were new territory to most of us.

DD for **Puki Merah** for an excellent run.

### The Circle

The **GM** called the circle to order and called out the Hare **D-CELL**.

**Sir Fumbles** was asked to comment on the run and said it was a top run on a top evening, cool but no rain

### VISITORS:

**Skippy** was with us again, happy to be back in Perth, and running from Kings Park as he did on his first visit with FH3. It was revealed that he already has a hashname in his home-hash of Port Moresby. **Shadow** and **Whoreda** were proud to announce that at home he is known as **Cock Up!** In their dreams? He's not the only hashman to go by two names, so **Skippy** he remains. DD's for all.

**GPS** introduced **Voodoo** from Hamersley. He may be a new face to Friday H3, but he has been around since **Wenchy** and **Phantom** knew him in Darwin all those years ago. **Voodoo** was joined in DD by his H4 brethren **Mel Adjusted**, **Shrek** and **Troppo**.

**Jokers (pt 1): Shadow** told us about the American Indian, One-Stone;

**Troppo** doesn't mind female pilots;

**Rambling** said there are so many female pilots that the cock-pit will be renamed.

## CHARGES:

**D Cell** charged acting GM **Troppo** with not bringing a torch to a night run, so was running blind and missed farrows. **Dead Squid** noted that **Phantom** holds a torch for **Troppo**, and **Rambling** reminded us that his alter-ego is a super-hero, so he can see in the dark. Charge reversed – DD **D Cell**.

**Accolade:** **Mouth Organ** on **Ballwinkle** for gallantry (at hash!?!?). DD **Ballwinkle**

**DUMMY SHORTS:** Nominations from the circle came thick and fast.

**Mel Adjusted** nominated **Rambling** for obeying the “Keep off the Grass” sign, after having already walked across the grass;

**D Cell** nominated **Shrek** for trying to knock out **Phantom** with the same move he used on **Bark Off**;

**Double D** nominated **Dash** for being unable to find the right carpark when he is the trailmaster;

**GPS** nominated himself for getting off the bus at the wrong stop after a night out at a hash Sundowner last Friday and being lost on his way home.

The vote was resoundingly in favour of **Dash**. DD **Shrek** and **Dash**.

**Jokers (pt2):** **Voodoo** knows a young guy from New Zealand who came to work in an Australian supermarket;

**Cookie** told us about the out-of-work engineer who made a new career giving medical advice, and tested our sexual IQ. Acting GM **Troppo** was also throwing one-liners out all through the circle. DD’s for all tonights Jokers.

## GENERAL BUSINESS:

**ROTTTO** – Mel Adjusted said that the Rottnest weekend had more places available, but by the end of the night, these were taken. Current beds have all been claimed, but rollaways can be added if necessary. It looks like we are going to have a fabulous weekend

**MYALUP** - in September

**Trail Master** - **Dash**, announced that the hare-line is filled to August 7th. You can still call him to add your preferred date to the list. He will be having the run on 3rd July, and it will have an American Independence Day theme

**Visitors** - Please introduce your visitors to **GM** or **On-Sec** and explain hash protocol to them – cost of run, drinks, taking down-downs, etc

**SONG:** **Voodoo** had his memory tested, but managed to lead us in the song to close the circle.

**GRUB:** Hot chilli and rice warmed the circle after a cool night
