### THE RUN

Another large gathering and we had to decide who was really a returner and who had been at Rotto and hadn't been missing at all. In any event, there was a long list of returners. Oh, yes, it was 3 July, the day before the big celebration – not the one in Greece, where they famously celebrate tragedy, but the one in USA, where they all dress up in loud clothes and eat fattening food – something they would never usually do!

It hadn't occurred to your scribe that early July and an American hare would indicate Independence Day until I spoke to **Double D**, all dressed up in a diaphanous outfit and tiara. "Oh", said I, thinking she was a fairy queen, "please grant me a wish." "I'm the 'f...in' Statue of Liberty, you dork", came the reply. Well, I never did, of course she was. And there was a bunch of other dresser-uppers, too – **Dash** wore a magician's hat, **Radar** a cowboy hat, **D-Cell** a bridal train, **Half Cut** a basket of coloured clothes pegs (???), **Mouth Organ & Ballwrinkle** in their red, white & blue and a motley assortment of Americana, all added to the general atmosphere of hash ridiculousness.

A wonderful panorama over the river to the lights of Perth City made up for the lack of a firework display and a very well marked run through the busy streets set the scene for a good run report, enhanced by the bourbon and coke that Dash had waiting for us at the drink stop. "Let me see if your drink has bourbon in it." said **D-Cell**, passing me her empty cup and taking my full one. Nice move, **D-Cell**.

### THE CIRCLE

**White Pointer** was appointed Stand-In RI

**Dash & Double D** were judged in a somewhat chaotic process but I seem to recall **D-Cell** sticking her finger in someone's ear and everyone was happy. A drink stop always wins you points, it seems.

**LTNS**            **Half Cut, Small Goods, Nice Tits, Phantom, Troppo, Little Prick, Wise Crack, Spackle, Kiss My Arse, Wet Dreams, Steamer, Immobiliseher, Puki Merah, Mouth Organ, Ballwrinkle**

**VISITORS**      **TWA (Tight White Arse)** – joined by fellow Arse family members, **Tightarse & Rock Bottom**

#### **CHARGES**

**Replicar** was done for inattention and instructed by **Rock Bottom** to refocus

**Mountain Hawk** charged **Rambling** for being illegally brunette

**Whoreda** charged **Shrek** for peeing in the ladies' toilet

**Tightarse** suggested that a change of gender would require a visit to the knackers yard, so **Shrek's** charge could be altered to a *knackerlade*. (*Accolade* for those who didn't get it).

**Troppo** made a heartfelt charge on **Shrek** because the latter's dog only licks half & half

**GM** made reference to the real runners at last week's run

**Meladjusted** was called upon to represent the phantom Rotto runners, whereupon **D-Cell** paid him homage with a finger in his ear

**Squid** charged **Meladjusted** with planning the Rotto trip like the D-Day invasion

**Meladjusted** charged **Little Prick** with fondling her phone

**Puki** charged **Spackle** with emotional animal cruelty by telling a black dog to "*F... off*"

**Shadow** charged **Whoreda** with hiding **Doggy's** keys in the bottom of her bag

Not wishing to miss a moment of the circle, **Replicar** chose to pee beside the food table

**Blow Fly** told us that **Cow Pat** left a tube of 'Off' on Rotto

**Doggy** found it; thought it was a torch, and wondered why it didn't light up when he turned the top

**Mountain Hawk** charged the left-leaners - **Cookie** left her hash bag last week; **Slugger** left her drinks bag, and **Rock**

**Bottom** left the dog dish, dog food, dog leash, doggy doo bags and **Crusher**.

**Horny** received the jabbers

**BIRTHDAYS**            Our North American friends were treated to a rendition of 'Happy Birthday' in English.

**DUMMY SHORTS**      **Ballwrinkle** told us the legal requirements for awarding the Dummy Shorts as laid out in the By-Laws of WA 1829, Chapter 279, paragraph 76, article 27(q), "**Appearance Rules re Hash Gear**" note 666 "*Dummies to be awarded between 1900 and 2200hrs on Fridays alone but not to Americans*" Nominees- **Whoreda** nominated **Shrek** for gender reassessment; **Soixante** nominated **Shifty** – no heels in S Perth; **Wisie** nominated **Immobiliseher** for giving **Steamer** a new backside; **Whoreda** nominated **Doggy Doo** for taking 'Off' the torch top; **Whoreda** was then nominated for losing **Doggy's** keys in the bottom of her bag and the winner is.....It's a draw - **Shrek** and **Whoreda**, a leg apiece

**JOKERS**            **Cookie** – 60 litres  
**Horny** – iPad, iPod, iPhone, I iron, I wash, I cook, I clean  
**Tightarse** – arsehole shop – only 2 left

#### **GENERAL BUSINESS**

**Committee meeting 1pm 12 July at GM's house**

On on

**There follows a write-up on the Rottnest weekend, courtesy of Blow Fly**

I do admit to being on Rotto and leaving every thing behind there. I sent this to Maladjusted and Radar, lacking other addresses. Maybe they will add to it.

Rotto hash. 27/6/15

The run started at 11am. 3 volunteers had set off by Bus with drinks and food to a destination unknown. Dash led the runners, DD Soixante Muff and Bell Boy. Radar led the rest of slow runners on the short course. The divvy van made its presence known passing the pack three times but showing no interest.

The Run was not arduous with scenic ocean views with wrecks, slippery rocks and a good view of DD's gash after she had fallen.

The short course slow runners avoided busses, cyclists, obviously on the hazardous course. Some of the cyclists were quite distracting. They passed a sign with a drink stop warning "No drinking Water after settlement".

Doggy's comment satisfied our concerns. "Doesn't apply to us we will be drinking beer and wine"

On and On past many lookouts Mr. Plods etc we finally arrived at Little Salmon Bay. Drinks were on but no lunch offering. Our lunch order had been forgotten. "Never mind we will deliver it" ..to little Salmon Bay...

A kid on a bike turned up with with a box of sandwich rolls a little later asking if we had ordered these having visited all the bay's on the way. This was well in time before the circle commenced. Meanwhile a scantily clad Rambling led the charge into the surf breaking the ice for Blowfly, Bellboy and Soixante Muff all suitably clad in impromptu bathing attire as we had neighbours. Soixante's pink number was a Beauty. Not undies at all but a full on bathing suit. If you have seen any of Soixante's swimmers you will have a mental image of this lady hasher plunging into the surf and then leading the circle in the same attire.

Under S/Muff's directions not many of those attending escaped down-downs.

Dash was taken to task over his excitement of being cohabited with "titties". To his character detriment the term adding a "Dash" when cooking or mixing concrete of any thing is only a tiny amount and no-one offered to counter this "tiny" image.
