Run: 1285
Hare: Shifty

Date: 14 August 2015
Venue: Park at corner of Roberts Road & Stoneham St, Joondanna

I hope someone picked up **The Book** last night, because it is not in the white bag!!!

THE RUN

Hare **Shifty** arrived at the site just before we took off, looking cocky and confident. Time would tell if her confidence was justified on this pleasant, late winter evening. **High Beam** and I were toward the back of the pack as we set off, having to deposit hash paraphernalia in the back of the car. Suddenly a body fell headlong to the ground with a mighty crash – and we weren't even out of the car park. "*Oh, someone has fallen,*" they said, as they ran on their way, leaving said someone spread-eagled on the tarmac. It turned out to be **White Pointer**, who had fallen over a traffic hump in the dark. **High Beam** and I were able to assist him to his feet and sit him on the railing, where we spied in the torchlight blood spurting from various parts of his body, most worryingly, his head. However, not to be denied the pleasure of a Friday Hash trail, he rejected our ministrations; shook off his shivers and dashed off into the night. Good start to his 200th run.

We had a quick walk around – not 15 minutes had elapsed since everyone had left on the run and there, sitting on the railing by the parked cars were **Scrotus Maximus** and **Animule**, panting from the exertion of walking round the block. **High Beam** and **Scrotus** thereupon entered into a long cultural discourse about the theatre in general and 'Dirty Dancing' in particular. Not to be outdone, **Animule** and I engaged in a conversation about cellular plasticity until the first of the pack, **GPS** and **Brave Tart** appeared. It seems they had lost trail but they were not complaining.

THE CIRCLE

GM Hogshit decided that he would take an executive decision on **Shifty's** run, eschewing all contributions from the assembled throng. "*Well,*" said he, "***Shifty's** had her ups and downs but this run was excellent and worth 9.75.*" Most people seemed to agree though someone suggested the speed bumps were too high.

LTNS **Scrotus, 15 Minuts, Shrek, Bark-Off, Animule**

VISITORS None

FAREWELL Dash

CHARGES

Stand-in RA Rambling, who told us how great she is for providing a beautiful evening

Stand-in Hash Cash – Dash

Pacemaker was immediately awarded the jabbers and a fly swatting

Troppo charged **White Pointer** with imitating **Norman Gunstone** and showing off his lobotomy scar

Mountain Hawk accused **Scrotus** with being heartless for suggesting that **White Pointer** should have slowed down at the traffic hump

Scrotus and **Animule** were charged with fence sitting

Someone charged **High Beam** with thinking she's Florence Nightingale

Ballwrinkle was awarded the jabber jaws and a suitable slapping by **RA Rambling**

Rambling then did a somersault over **Shrek's** dog which should never have entered the circle

Rambling recovered her composure and good humour then, in her capacity as **RA**, penalised **Shrek** for contributory negligence

Tightarse announced the safe departure of **Dead Squid** for two months, to tumultuous applause, then burst into singing, *"Happy Days are Here Again."*

BIRTHDAYS **Troppo**, who had been such a cheeky boy, **Rambling** felt forced to chastise him – **Sybil**, a fan nonetheless, presented him with a nano-cake, which **Cookie** duly cut into 30 crumbs – we all had one

Sir Fumbles, who was presented with a cake by **Cookie** – we all had a piece of that, too

Slugger, who didn't get a cake but such was her downcast countenance that **Mountain Hawk** felt constrained to present her with the remnants of a cake from the nibbles table, which some kind person stuck a candle in

SPECIAL ACHIEVEMENT Having attended Run No 1 a generation ago **White Pointer** finally achieved 200 runs

DUMMIES

Brave Tart had her eye on **White Pointer** for the dummies because he was covered in tiny little plasters. **GPS**, of course, stepped in and declared himself a contender because he forgot **Fumbles'** birthday???? Then there was the option of a carry-over – no chance – **White Pointer**

JOKERS

High Beam – a deer with no eyes

Rose told one about her fitness regime

Cookie – Scooby-Dooby Doo and Hickory Dickory Dock

Tightarse – the penalty for too much sex

Cookie – the drunken Irishman
