### THE RUN

Where the FHHH were they? Sixteen turned up – just a few more than we have on the committee- and four of them were newcomers. Almost everyone there could have been a stand-in. Even **Hash Splash** had decided to abandon the trailer at the site and rush off to smooth the fevered brow of **Sir Fumbles**, currently recovering from being reconstructed. **Hash Flash**, weakened by an unknown affliction decided that dedication to Friday Hash warranted an appearance and your devoted **On-Sec** was also there but that was the sum of the committee. Ever-reliable **RTT** took the cash and **Pacemaker** agreed to be Stand-in GM, so we were in business.

There was a brief discussion before the run about logistics, there being so few attendees and THE GAME and the weather to consider. **Hare White Pointer** had located a drink stop at the top of the hill, so we decided to run up there; enjoy the view and the drink; check the score; run back, and take up **Tightarse's** offer of having the circle and food at his house, just down the road.

A brisk walk up the hill and past the Bowling Club took us to the drink stop where we enjoyed the port and lemon and lollies provided by **White Pointer**. When **Brave Tart** and **D-Cell** failed to turn up we had another drop of port and were joined by **Screwdriver** and **Buttless**. As Pacemaker paced the turf in a state of high anxiety over the loss of his beloved, we had another drop of port and checked the score again.

Back at Hobbs Place drinks and cars were organized and all but a few high-tailed it to **Tightarse's** house just in time to avoid the rain. On went the TV for the last 15 minutes of THE GAME and **White Pointer** cranked up the stove, happy to cook inside instead of braving the wind and rain at Hobbs Place.

## THE CIRCLE

**D-Cell and Brave Tart** were the only ones who did the full run – at least as far as the drink stop. They said it was excellent and **Tightarse** really enjoyed the drinks. The weather was another failure by **RA**, though.

**LTNS**            **Screwy, Buttless**

**VISITORS**      **Blow Pipe x2 and Virgin Rocks Off**

**MIA's**            **Animule, Doggy Doo, Blow Pipe and Rocks Off**, who were not seen again after the drink stop, and **Sheep Shunter** and **Light My Fire**, who were last seen looking for a parking spot, not realizing they could have parked outside **Tightarse's** house. **RTT** took off due to his aversion to footie and the lack of black beer chez **TA**.

## CHARGES

**Cookie** turned up in non-hash gear and slightly damp after the walk from her car

**High Beam** climbed the ladder of success and she and **Cookie** were commended on the success of the Myalup weekend

**Blow Fly** and **Cow Pat** were given a prize for entertaining us at Myalup

**White Pointer** was charged with distributing white feathers and **Pacemaker** joined him as a fellow **GM**

**Tightarse** was anointed for allowing us to abuse his house

## DUMMIES

**Screwy** told us about **White Pointer** leaving his phone in his jacket pocket at **Screwy's** house after a Freo Committee Meeting. **White Pointer** woke **Screwy** very early the next morning to enquire about said phone. So, **White Pointer** still carries the shorts.

**BIRTHDAY**    none
