Run: 1291
Hare: Phantom

Date: 25 September 2015
Venue: Emerald Park, Edgewater

THE RUN

There was a cool breeze blowing in Edgewater & it chilled everyone to the bone. Even the newly reconstructed Fumbles, now standing a couple of inches taller, was rugged up.

We retired to the shelter of the veranda of the clubrooms where we were out of the wind & Bravetart extracted payment from the members until the Acting GM, Troppo, declared it was time to venture forth & check out the run.

Phantom gave the run directions & the pack ran, walked or shuffled off into the dark. The night was dark & the street lighting left a bit to be desired but the trail was well marked with very neat Farrowes. We went up & down hills, along walkways & across parks until we had been to all parks, walkways & hills in the southern part of Edgewater. It was a fraction long for Megawat who broke down with an injury with K & a bit to go but he managed to hobble home with the rest of the pack.

THE CIRCLE

Phantom arrived back with dinner & Troppo invited her into the circle for judgement on her run. Before anyone could make a comment he declared it the best run he had ever been on. There were a few rude comment s made about his impartiality but Troppo ignored those & invited Animule to join Phantom for a down down. The reason – Animule did not get lost on Phantom's run this year.

LTNS Suka, Head Case & Fumbles were all welcomed back

SPECIAL RUN Puki Merah was called out for a couple of down downs for reaching the 200 run milestone.

CHARGES

Troppo started the circle by welcoming the RA (Suka) back after a long absence.

Mal Adjusted charged D Cell for spilling Puki Merah's down down.

Replicar also charged D Cell for spilling more beer.

Replicar continued his assault on D Cell by charging her for not running All the false trails on the run. This was reversed by the Acting GM.

Puki Merah charged Rambling Rose for looking for but not finding the trail even when she was standing on the Farrows.

JOKERS

There were more jokes than charges: Radar, RTT, White Pointer, Pacemaker, Troppo all told one each and Cookie managed two.

GENERAL BUSINESS
