Run: 1292
Hare: Crusher

Date: 2 October 2015
Venue: 17 Sampson Road, Kalamunda

THE RUN

Off we set for Kalamunda with sandwiches and a flask of hot tea to sustain us on the journey. Up and up we went and we kept saying '*It's further than you think, isn't it?*' And it is. But then, when you think about it, **Crusher** and **Rock Bottom** travel all over the place for the hash and never think twice about it.

And look what's there to greet us when we arrive – noisy chatter, comfy home with sheltered garden, all laid out with tables, chairs and everything. And then, to augment the ambience of country, there are the local hoons, filling the country evening with their mating calls and noxious, throbbing emanations. So, it's a road worth travelling, just for the experience. Mind you, **Wenchy** might dispute that assessment, arriving shaken and stirred, as she did, after being run off the road by a couple of particularly aggressive young studs, dragging each other for dominance along the quiet rural roads.

What a loss **Wenchy** would have been to us all but she survived, as **Wenchy** would, full of piss and vinegar and the desire for revenge. Just as well those strutting males did a road runner into the darkness rather than face the wrath of a het up Harriette. She was forced to vent her spleen, instead, on the footpaths of Kalamunda.

THE CIRCLE

GM was the first to pass comment on the run and he should know, because he re-chalked the false trails. He said it was a bit up and down but at least there was no gravel. **Ballwinkle** had to put in his two pennyworth and was full of praise, saying the run was worth at least 92.7. **Ballwinkle** had obviously forgotten that our standard is 9.75 but it's so long since we scored a run 92.7 was taken as a compliment.

LTNS Gropa, Nice Tits, Small Goods, Buttered Buns, Horny Flasher, Free Beer, Skippy, Dash

VISITOR **Rainbow**, Free Beer's mum, whose introduction prompted a would-be singing star "*Somewhere*" to break into song – sad, isn't it?

CHARGES

D Cell went straight into the attack on **Troppo** and **Free Beer** for sounding like woosies because they would not venture into the darkness without torches

GM charged **Skippy** with racing

Nice Tits charged **Radar** because he had seen a TV programme showing radar being used by archeologists in locating the body of Nefertiti

Mountain Hawk charged **Nice Tits** with showing off because he watches intellectual programmes

Horny Flasher charged **GPS** with being torchless

Meladjusted charged **High Beam** with being unable to use a camera, whereupon.....

Tightarse leapt to **High Beam's** defence, saying she'd had an unhappy childhood with her father hitting her over the head with his camera. She still has flashbacks.....

Troppo then suggested **High Beam** was overexposed but.....

Tightarse charged **Troppo** with being negative – and so ended that little bit of **Tightarse/Troppo** repartee

GM charged **Mountain Hawk** and **Sybil** with anticipating their 300th run so they did a Siamese twin down-down and....

Tightarse charged them with **Sybil** rivalry

GM congratulated **Meladjusted** on successfully pilfering a foot from Hamersley Hash, which has now been cunningly disguised as a Friday emblem and will be passed along to the hares in perpetuity

D Cell charged **Meladjusted** with wearing Eagles' colours but **GM** reversed that because it's non-hash business

High Beam and **GM** became entangled in a charge on **Too Tight** but I lost the plot of that one

Stand-ins were **RTT** – last week's write-up; **Troppo** – last week's **GM**; **Brave Tart** – last week's hash cash, and **Suka** for being herself

GM charged **Sybil** with sitting in the circle

GM charged **Pacemaker** with imitating a STOP/GO man with the new hash foot

Meladjusted charged **Ballwrinkle** with being unable to interpret the writing on the foot

DUMMY SHORTS

Blow Fly suggested **GPS** could be awarded the shorts for going torchless into the night

Buttered Buns thought **Skippy** deserved them for calling her a '*little butterfly*' – she's not a butterfly but she is little

Then there was the undesirable option of a carry-over. **GPS** got it on the vote

The circle had become very noisy and **RA** was castigated for chatting with **Meladjusted** instead of swatting flies

JOKERS

Cookie told one about two schoolteachers at the races

Rambling told one about a desirable credit card

Tightarse told us about the tight-fisted old lady
