THE RUN

The only time I'm first to a run is when I'm the hare, so it was a bit disconcerting to find myself the lone hasher at the Zoo car park. Soon afterwards **Shrek** and **Bark Off** arrived 'On A Bicycle Made for Two', followed by **Shadow, Shifty, Doggy Doo, Whoreda, Meladjusted and Radar**. After a bit of head scratching, checking out the restaurant and a couple of **Meladjusted** phone calls, we all arrived at *the other* car park to find a large assembly of Friday hashers asking 'Where's the Book?' A quick verbal exchange between **GM Hogshit** and I established that he had to leave due to a bereavement in **Slugger's** family and **RTT** was to be the **Stand-in GM**.

Double D announced that it would be a short run because dinner awaited at the restaurant and everyone was quite happy about that, though **Animule** sets his own trail and returns to base at his own pace, anyway. South Perth is a busy, bustling place on a Friday evening with bars and restaurants doing a roaring trade. The bowling club was overflowing with people having an office party and out-doing the hashers with their noise and camaraderie.

Instead of joining the run I decided to help **Hash Cash, Double D**, guard the evening's takings and listen to her Indian travelogue and Pondicherry ponderings.

THE CIRCLE

Stand-In **GM RTT** was quick to start the circle and dispense with the usual formalities. He told us we had to be quick about it and get to the Summit. So he, himself, personally did the run discussion and decided that **Double D** and **Dash** deserved 9.5

GET A LIFE

Mountain Hawk achieved her 300th run. Her life is not as empty as it might seem because it has taken 20 years with Friday Hash to get this far. The next 300 might be less eventful.

THE CHOIR

They did it again – this time with song sheets provided by **Cow Pat**. **Mountain Hawk** was so moved by having a choir sing to her that **Troppo** decided to treat her to another one and led the team in a wonderful rendition of ‘*You Are My Sunshine*’. What a memorable occasion.

CHARGES

GM announced briefly that **Slugger’s** brother –in-law had passed away.

Whoreda charged **Doggy Doo** but in the confused darkness of the Zoo Car Park your scribe missed the thrust of her charge.

Replicar charged **Shrek** with damaging hash property by smashing the horn. The charge was reversed by **GM**, who blamed the City of South Perth for not providing enough light. However, there will be a costly Senate enquiry into the matter with Penny Wong trying to add a serious note to a very light matter by trying to discern the difference between ‘broken’ and ‘smashed’, culprit notwithstanding.

GM charged **GPS** with talking which, in the absence of **RA** was the only way to handle the matter

Double D commended **Brave Tart** and **Shifty** for standing in as **Hash Cash** for her and said ‘*Thanks very much, can you do it again next week?*’

Mountain Hawk charged **Animule** with doing a quicky.

GM charged **Megawatt** with being a shining light.

Shadow charged **Horny** with lying but the resolution was left standing.

Mountain Hawk called on Sir Galahads **RTT** and **Megawatt** to drink to her 300th run.

DUMMY SHORTS

Shifty had the shorts and a couple of weak nominations – **the hares** because of the confusion over which car park was which.

Someone suggested that regular contender **GPS** should get them for following **Rambling’s** instructions – damned if he did and damned if he didn’t

GM turned the tables on **Meladjusted’s** attempt to show superior knowledge of car parks by awarding the shorts to him.

GENERAL BUSINESS

AGM will be on 27 November – theme: “**It’s a Small World**” – start thinking about your costumes and if you really have no imagination there are always the t-shirts from *foreign* (has that word been deemed unusable by political correctness?) hashes.

Please inform **GM** or **On-Sec** of any changes to your contact details or fill in one of **Hogshit’s** forms.

GRUB Excellent meal provided by Summit Nepalese Restaurant with delicious birthday cake from **Double D** for Dash’s 60th. I am typing this on 20th October, which I believe is Dash’s big day.

PLEASE REMEMBER TO HELP HASH SPLASH LOAD THE TRAILER
