### THE RUN

It did not go unremarked that this week's hare is not only fit; a runner and a year or two younger than some of us. He also rides a bicycle everywhere and probably sets runs on said conveyance. They were taking bets on how long the run was likely to be. Still, there was the lure of a drink stop to keep everyone on trail, except **Animule**, of course.

We set off in very pleasant conditions and were not even perturbed by the drizzle that began to dampen the ladies' coiffeurs. It did dawn on us that we were travelling a long way down the path beside the motorway, by which time the drizzle had turned to rain. I heard all about the effects of long stretches of pavement on the orthopaedic afflictions of **Slugger** and **Shifty** and started to think how nice it would be to reach the drink stop. Then there it was – a grinning **Shrek** with **Sir Fumbles** exceeding his remit and dishing out the port and lemon. A sight for sore eyes.

This was when we realized we were the stragglers. **Mouth Organ** ran ahead with **Cow Pat** – can't say I blame them. It was dark and wet. **Double D** couldn't run for fear of spilling her port so she, **High Beam**, **Shifty**, **Suka** and I headed in what we hoped was the direction of home. Then, out of the mist ahead a shadowy figure appeared – *"It's Dash"*, said Shifty. *"That's not Dash."* replied **Double D**. But it was – a **Dashing Sir Galahad** come to rescue his Guinevere.

### THE CIRCLE

**Shrek** was torn from the barbeque and given a bit of a roasting for a long run. *"It wasn't that long"*, he said *"only about 6.5."* However, **GM Hogshit** had clocked it at 8.7. **Dead Squid** and **White Pointer** decided it was up to them to point out the rules but someone said there are no rules and **Shrek** rushed back to his barbeque, away from the heat.

### LTNS

Puki, Rambling, RA Suka

## CHARGES

**RA** was done for bringing rain on her return

**Dash** was given a birthday drink for last week

**Tightarse** informed us that 'Dash' means corruption payments in Nigeria

**Double D** said it is a Kardasian fashion score

**GM** charged **Crusher** for a precursor on his 399<sup>th</sup> run

**GM** charged **Dash** on his 69<sup>th</sup> run

**RA** charged **Double D** for denying **Dash** in the dark

**Tightarse** charged **Double D** for wearing velcro instead of laces – what a rip-off

**Meladjusted** charged **Dash** with not recognizing **Double D** when she was standing next to him

**Shadow** tried to charge unknown poofters but **GM** denied there were any poofters here

**Mountain Hawk** charged **Shrek** with showing off by providing a juke box, TV, comfy chairs and fairy lights

**Double D** made an emotional charge on **Dash** *"We were lost and you rescued us."*

**Tightarse** charged **High Beam** with being difficult to greet on the phone *"Hi High Beam."*

**Mountain Hawk** demanded to know why **High Beam** was phoning her husband.

**GM** charged **Radar** and **Meladjusted** for preferring baseball

**Tightarse** and **Mountain Hawk** had an anniversary drink.

**GM** charged the Little People – **Tightarse** & **Sybil** were sitting in the circle

**Animule** got the jabbers

## DUMMY SHORTS

**RA Suka** was the first suggestion because she brought rain instead of preventing it.

**Dead Squid** was another suggestion because he moans about the food.

**Animule** short-cutted; fell in a crab pot and spat the dummy. **Double D** couldn't understand why there would be crab pots on the road. **Slugger** thought **Shrek** was working too hard on the cooking. **Animule** won.

## JOKERS

**Mountain Hawk** – education prevents the need to shovel shit

**Cookie** – a Glaswegian wedding bridal waltz

**Double D** – Thanksgiving dinner

**Cookie** – golfing couple fondling the stick

## GENERAL BUSINESS

**AGM** will be on 27 November – Nollamara Tennis Club - theme: **"It's a Small World"** – wear a costume from any country you love, have visited or wish you had visited – New Guinea conjures some delightful images! If you really have no imagination there are always Interhash t-shirts.

**Mouth Organ and Ballwrinkle** have offered to do the Christmas run on 18 December

We have bought two new eskies – the old ones are not in bad condition. See **Cookie** if you would like them
