*A Drinking Club with a running problem @#!*

**Run:** 1298 – Spectre 007 Run  
**Hare:** Rambling Rose & GPS

**Date:** 13<sup>th</sup> November 2015  
**Venue:** Moolanda Park

**THE RUN**

Arrived at the run in time to pay before I ran! How did I do that??

We took off over the park and ran straight into **Stiffy** and her doggy friends from the Perth Harriettes. A quick chat then a dash to catch up with everyone. Our trail of farrows headed west through Kingsley and we crossed Barridale into Shepherds Bush. False trail was called though and we were back on Barridale and heading south. The trail then took us up the path at the bottom of Shepherds Bush and a few well-placed false trails kept most of the pack together.

Now it must be time to head to **Ramblings** new abode in Goollelal Ave. The drink stop was appreciated especially the Drive-In showing of Spectre.

**The Circle:** “Form a circle!”

- **Rambling** and Co Hare **GPS** were awarded 9.7 and a down-down to the chorus of ‘And the Hairs....And the hairs... hung down to her knees’.

**Virgin:**

- Not too many around nowadays but **Double D** introduced us to **Lisa**. She showed us she could down a splash well.

**LTNS:**

- Welcome back to **Little Prick**, **Ten Per Cent**, **Hard One**, **Buttered Buns** and **Wet Dreams**.

**Charges (ODs):**

- **Double D** on **Megawatt** for leaving the toilet eat up in the Ladies!
- **Crusher** on **Wisecrack** – something about telling someone we were a running club?
- **Mel Adjusted** asked **Replicar** if he got a drink. The reply was ‘Yes’.
- **Mel Adjusted** was then given a drink for asking a good question.
- **Wisecrack** charged **GPS** but I can’t remember what for and my notes are somewhat illegible.
- Ooh **Wet Dreams** and **Little Prick** get to share the Jabber Jaws and receive a spanking with the fly swat.
- **Troppo** gets a lash too and announces he didn’t feel a thing!
- **Blowfly** calls out **Blow Pipe** for a welcome back drink as he was missed with the other **LTNS**. Of course one **Blow...** drinks all **Blow...**s drink. Get it down both of you.

**Birthdays:**

- Wisecrack,
- Megawatt who receives a cake from Sybil.

**Special Awards:**

(None this week)

**Jokers:**

- Troppo & Mel Adjusted.

**Dummy Shorts:** *It was the first award by proxy.*

- GPS was then awarded the dummy shorts because he wasn't at the run last week. D-Cell tried to sing 'How would you like my finger in your ear/beer but ended up with most of the beer over her!

**General Business:**
