Run: 1300 AGM
Hare: Hogshit/Slugger

Date: 27 November 2015
Venue: Nollamara Tennis Club

THE RUN

This was the **AGM** run, set by outgoing **GM Hogshit**, ably assisted by **Slugger**. **Wenchy** arrived early to open the doors and help with setting up and decorating the venue. The theme being "It's a Small World", travel and international paraphernalia was hung, pinned, tied and spread over tables to add a sense of exotica, with **Replicar's** Kiwi t-shirts being the icing on the cake.

The drink stop was *womanned* by **Slugger, Wisie and Mountain Hawk**, who had quite a wait for the first of the runners to appear, by which time a few chocs and some of the bubbly had been sampled. As always, the drink stop put everyone in high spirits and as soon as they were home they went off in all directions to morph into their new identities. And what a motley collection we had. Just about everyone dressed up for the occasion in their own National Dress (**'Bronwyn' Slugger** and **'Heide' High Beam**) and costumes from all over the place. Even Australia was represented by a few people who decided that Perth is exotic enough so wore their normal hash gear. Anyway, the scene was set for a bit of fun.

THE CIRCLE

GM Hogshit tried to bring some sort of order to a very lively circle. **Wenchy** gave a short run report but what can you say to an outgoing **GM**? Like all leaders, he wants to leave a long-standing legacy.

LTNS

Tardy Tart, not seen in a **Blue Moon** but maybe we'll see her again **Next Week** and costumeless, to boot.

Visitors **Hu Was Dat and Black Modesty**, who, upon unveiling, turned out to be **Troppo** and **Suka**

SPECIAL RUN **Megawatt** finally achieved 200 runs

CHARGES

GM congratulated himself on organizing a full moon for the event.

GPS and **Crusher** had the temerity to stand on chairs and look down on **GM**.

GPS decided that, as it was a full moon, he could award the two hares a drink.

Troppo and **Suka** were unrecognizable in their costumes and charged as interlopers – one hood drinks, all hoods drink.

Tightarse, **Rock Bottom** and **Buttered Buns** were charged with being well behind and did a triple bum wobble to mark the occasion.

Bark Off, **Head Case**, **RTT**, **Shrek** and **Whoreda** came in mufti.

Head Case tried to tell us that her *'Small World'* was, in fact covered by a costume but modesty prevent her from proving her case. GM was not interested.

Shadow tried to charge **Hard One** but failed.

DUMMY SHORTS Not here

Hogshit finally realized his time was up and, with great reluctance and a tear in his eye, he called in his ministers and praised them for their loyalty. The entire cabinet then resigned and he walked, with head bowed, to the back benches.

New, female **GM** then stepped up to thank **Hogshit** and his faithful followers as well as everyone who had stood in for her during her year as **On Sec**. She also thanked everyone who had offered to serve on the new committee. Special mention was made of the only founding member in attendance, **Rambling Rose**, who had been one of the visionaries who set the trend of on-going change in the Friday Hash committee.

Mountain Hawk is the oldest **GM** to take up the position on Friday Hash and it might be a sign that we have to get the old ones whilst they are still alive. An effort has been made to include first timers or long absents in the committee and all but three of this year's line-up fit that bill:

GM	Mountain Hawk
On Sec	GPS
Hash Cash	D Cell
RA	Ballwrinkle
Trail Master	Pacemaker
Splash	Tightarse
Piss Pourer	Hogshit
Flash	High Beam
Haberdash	Cow Pat
Web Master	Blow Fly
Horn	Brave Tart

Thanks to **Wenchy** for venue arrangements.

Thanks to **Cookie** for the **AGM** banquet.

Thanks to the outgoing committee for carrying on in their role until handover has been completed.
