Run: 1301
Hare: Dead Squid

Date: 4 December 2015
Venue: Hilton,

THE RUN

Ok we had one. Cold but not wet. Thanks **Squiddy**. Some places we been before some new streets. It's hard when you are a slack arse back runner to get it all together. **Fumbles** had a déjà vu experience and the promised drink stop was a dry bubbler.

THE CIRCLE

Run reporter Wenchy says not bad. DD for Sqiddy.

New RA **Ballwrinkle** introduced the Voodoo dolls. Be afraid, very afraid, you could be getting a little prick when you least expect it. Although there was much speculation on who they were modeled on, our star seamstress **Cookie** made them most likely was **Fumbles and Cookie**.

At last all the teeth have rotted and the jabber jaws have retired. **Dead Squid** prepared something pommy for dinner, upside down pies in some green stuff. Tasted ok and in the dim light it could not be seen.

LTNS

Closely followed by **GPS** for an incident on the way home from the AGM.
