### **THE RUN**

Stand in GM RTT tried for several minutes to shut up the rabble, finally getting the attention of most for run instructions from the hare. There's a run for real runners and a run for walkers, followed by a demonstration of the markers to be followed for your choice. The run started with a loop back to the start, **Wenchy & Soixante Muff** comment that this was the shortest run in history, followed by another loop and another glimpse of the start. No rules in hash but when the bucket in sight what do we do?? We Drink!!!! Some got lost, some made the drink stop, Yay vodka and stuff and others namely **Tightarse** and **Pacemaker** found the out trail and tried to decide if they went again would the run be any better.

### **THE CIRCLE**

Run reporters, Butter Buns for the walkers declared fantastic a 9 and Franger for the runners well marked 9.8.
