Run: 1305
Hare: Butter Buns

Date: 15 January 2016
Venue: Applecross

THE RUN

Butter Buns called us out front. A runners and a walkers trail. And NO hills. By the time single file got on the street the runners had already left. What shame! No decision to be made. Follow the street to the river then turn left. Lots of people wading around with prawn scoops or just enjoying a sip by the river on a beautiful night. Runner and walkers got together and trekked up Wireless Hill. What NO hills. However drink stop atop the tower with great city views. **Rambling** says thanks to **Hogshit** for personal delivery of drink downstairs and **Cookie** for throwing snakes. Left as they arrived in dribs and drabs. All downhill from there.
