**Run: 1307**  
**Hare: Ten Percent and Hard One**

**Date: 29 January 2016**  
**Venue: Sorrento**

### **THE RUN**

Our Grand Mistress **Mountain Hawk** finally got the rabble to shut up and introduced out hare **Ten Percent** . Lets get this show on the road. There's a runners and a walkers trail and definitely NO drink stop. On On that way out of the car park. Sorrento is deceptively hilly and the trail made inroads towards the beach without actually getting there. Thankfully not a long run as it was a very hot night and drinking more important than exercise in those conditions.
