THE RUN

Beautiful night beside the river. Grand mistress shuts up the rabble and calls on the Hare **Crusher** for instructions. It's an ordinary sort of run but there is a run and a walk trail. Go play in the traffic as the start is across the road. Pleasant stroll along the path by the river and into the rather salubrious residential area of Ferndale. Don't know where the runners went although they were distance a few times. However all arrived back within 10 minutes of each other.
