Venue: CRAWLEY

THE RUN

Another delightful summer night. Our hares certainly know how to pick the best of venues around our fair city. A couple of hashers namely **Sardar** and **Pacemaker** had some difficulty locating the start, witnessed parked in another park some k's away. When 7 o'clock arrived Megawatt say's runners this way and walkers that way and there is a drink stop. Picturesque stroll along the river for the walkers and the runners seen sweating it out in the hills of upper Crawley. The champers and chocky drink stop was very welcome , then the parting of the ways wet and sweaty that way , or another riverside stroll.
