**Run:** 1312  
**Hare:** Animule

**Date:** 4 March 2016  
**Venue:** Jolimont

### THE RUN

A well visited venue. An oldie but a goodie. Animule was struggling with the dodgie light one minute on the next off. A timely reminder that it's almost time for torches again. On On across the park and into the burbs. Runners were off and out of sight until caught by the first check. On on called and that was the last seen of them until they straggled back in dribs and drabs. Meanwhile the walkers were treated to a running commentary about some of the romantic happenings in the park.
