### **Thailand Comes to Connolly**

Well here I am, Acting Scribe again. GPS' secretary told me he had to play a major league softball match while she had to attend a major league piss up. (Harriettes Sundowner). I guess Rambling Rose took Wenchy & Cookie with her because they didn't turn up either. There was a heap more missing too but we assumed they were at the Black Sabbath Concert although there was a chance that some were at a minor event somewhere in Subiaco.

We did get 2 visitors from Bangkok & their friend who came especially for our Thai night.

### **THE RUN**

The run started with Pacemaker asking me if I knew the area & could I guide the walkers. Not knowing the area that well I passed the privilege on to 10%.

Off into the dark we went with White Pointer & D Cell leading the runners while the walkers plodded along with 10% leading and Suka & Wet Dreams acting as sweepers.

Ten Percent did manage to keep the walkers up with the runners until at Prince Regent Park he forgot which street was the cul-de sac & which one had a lane at the end. Although he got the walkers home in good time he was not forgiven for this mistake & the walkers took revenge during the circle.

### **THE CIRCLE**

Mountain Hawk called for quiet but it took Ballwrinkle to silence some of the talkers.

### **LTNS**

Little Prick, Suka, 10% & Hard One were all welcomed back.
