### **THE RUN**

A very good run/walk that was a combination of suburb and bush trails.

### **THE CIRCLE**

The circle was rather slow to form with the usual suspects preferring to chat than take notice of our wonderful GM. Sadar was asked for a run report and said it was fantastic although he did add there was only one false trail and one check

Tonight was a sad occasion for us as it was Dash and DDs last run with us. They were presented with a photo frame with lots of memories of their time with us. Good luck to you both we will all miss you.

Lots of charges tonight.

Shrek for riding and drinking (BAD MAN)

Sadar on his phone (He should know better)

Radar on the RA for not preventing the rain

More talking in the circle DD Horney flasher, Shadow, Smallgoods and Littleprick.

Repicar for having new shoes... Did anyone see him drink out of them??

A well deserved charge from Hard-One on Shrek for knocking over her drink

There was an accolade for Shadow for getting lucky at Interhash.... Not sure how. Did she win the Bali lotto??
