THE RUN

A Venue that not to many hashers would have been to. But a good turn out considering that it was looking to be a wet and windy night. White Pointer was asked to give a run report and said it was a good run but I thought it was excellent.

THE CIRCLE

Lots of charges on the night

Shadow for standing on a Bandicoot

Blue-He charged all the runners for leaving her behind which was reversed. But on the serious side lets try and be mindful of other hashers when out on the run.

Franga as usual cant stop talking in the circle.

DD for the RA no rain on the run but it came down in the circle.

GPS for complaining about something on the run.(me complain ??)
