### **THE RUN**

A very good run/walk and in the words of Replicar except where he got lost. Always goes down well when there is a drink stop on the run.

### **THE CIRCLE**

The circle as always got off to a slow start with the hares getting a DD and Buttered-Buns GPS and Horny-Flasher were shamed for talking in the circle DD for them.

Headcase was given a big thankyou and DD for taking over the hash cash task at the last minute.

Sir-Fumbles was given a DD for being a bit of a cripple ....Good luck SF with your knee operation.

Hogshit was charged with stealing the dunny seat from the local park. Not sure why he would do this.....Maybe he and Slugger have fallen on to hard times ?

Dead-Squid was given DD for making a huge mess on the drink stop ute.

All this and other trivia ended when Headcase was asked to lead us in to the Friday song.

When the circle finished we were all treated to a delicious meal of chilli con carne and cake
